## Wood Bottom-Mount Waste Container System

If you need a trash solution that works double time, look no further than our 4WCOX waste container that comes with two 35 qt. white waste containers and matching lids. It comes with a 1.7 qt. OXO container that is ideal for storing dishwasher detergents, making it an ideal addition to flank your sink opposite the dishwasher. The convenient and concealed compartment is perfect for storing cleaning supplies, trash bags, and so much more. It is designed for a 24" base cabinet and features beautiful natural maple dovetail construction with a semi-gloss finish. Easy door mounting takes accessibility to a new level with our patented mounting brackets that provide 5" of adjustability and micro-trim adjustment. The BPA-free polymer container can easily hold all sorts of items like pet food and cat litter, making it a purr-fect pet center for toys, treats, and other accessories. US Patent No: 8,338,076

### About Rev-A-Shelf LLC.

Established in 1984 as a division of the family-owned Jones Plastic & Engineering, Rev-A-Shelf's product line began as metal and polymer Lazy Susan components manufactured for the largest U.S. cabinet manufacturers and have since grown into the market-leading innovator of residential cabinet storage solutions and L.E.D. cabinet lighting.

Rev-A-Shelf, located in Louisville, KY., manufactures thousands of innovative accessories for the kitchen, bath or closet. Under the Tresco Lighting brand, Rev-A-Shelf offers a full line of LED lighting options for residential cabinetry and commercial display fixtures. Rev-A-Shelf's primary markets include cabinet hardware distributors, large O.E.M. cabinet manufacturers, Lowe's and Menards home centers, and an array of online web resellers.
