Wood Bottom-Mount Reduced Depth Waste Container

Rev-A-Shelf brings you a new reduced-depth addition to our 4WCSC Series waste containers, designed for smaller spaces. It features a metallic silver 20 qt., polymer waste container. The contoured natural maple dovetail frame with a semi-gloss finish is durable and beautiful. It glides on BLUM soft-close slides that give you complete accessibility.

About Rev-A-Shelf LLC.

Established in 1984 as a division of the family-owned Jones Plastic & Engineering, Rev-A-Shelf's product line began as metal and polymer Lazy Susan components manufactured for the largest U.S. cabinet manufacturers and have since grown into the market-leading innovator of residential cabinet storage solutions and L.E.D. cabinet lighting.

Rev-A-Shelf, located in Louisville, KY., manufactures thousands of innovative accessories for the kitchen, bath or closet. Under the Tresco Lighting brand, Rev-A-Shelf offers a full line of LED lighting options for residential cabinetry and commercial display fixtures. Rev-A-Shelf's primary markets include cabinet hardware distributors, large O.E.M. cabinet manufacturers, Lowe's and Menards home centers, and an array of online web resellers.
