Drying Rack Drawer

Do you need a drying solution for your laundry room? The 4WDR drying rack is one of the most sought-after solutions for flat or hang-to-dry clothing. The complete drawer system installs into your existing cabinet; you only need to attach your drawer front. The rack is easy to access and use. Open the drawer and unfold the arms for up to 18 linear ft. of drying space, that requires 42" of clearance when opened. With two positions of placement, you can flat or hang dry items on the rust-resistant stainless steel rods. Designed for 24" base cabinets. It comes with figure 8 door mount brackets and BLUM soft-close slides.

About Rev-A-Shelf LLC.

Established in 1984 as a division of the family-owned Jones Plastic & Engineering, Rev-A-Shelf's product line began as metal and polymer Lazy Susan components manufactured for the largest U.S. cabinet manufacturers and have since grown into the market-leading innovator of residential cabinet storage solutions and L.E.D. cabinet lighting.

Rev-A-Shelf, located in Louisville, KY., manufactures thousands of innovative accessories for the kitchen, bath or closet. Under the Tresco Lighting brand, Rev-A-Shelf offers a full line of LED lighting options for residential cabinetry and commercial display fixtures. Rev-A-Shelf's primary markets include cabinet hardware distributors, large O.E.M. cabinet manufacturers, Lowe's and Menards home centers, and an array of online web resellers.
