Sidemount Utensil Pullout w/ Blum Soft-Close

Are you annoyed with cluttered utensil containers taking up valuable countertop space? Then clean house by turning an unused base cabinet into a utensil utopia with our 4WDUT utensil drawer. Designed for 18" or 24" base cabinets, they are constructed of natural maple and feature up to five stainless bins and a versatile chrome wire basket. They side mount and glide effortlessly on Blum slides w/ soft-close and can be used alone or in multiples.

About Rev-A-Shelf LLC.

Established in 1984 as a division of the family-owned Jones Plastic & Engineering, Rev-A-Shelf's product line began as metal and polymer Lazy Susan components manufactured for the largest U.S. cabinet manufacturers and have since grown into the market-leading innovator of residential cabinet storage solutions and L.E.D. cabinet lighting.

Rev-A-Shelf, located in Louisville, KY., manufactures thousands of innovative accessories for the kitchen, bath or closet. Under the Tresco Lighting brand, Rev-A-Shelf offers a full line of LED lighting options for residential cabinetry and commercial display fixtures. Rev-A-Shelf's primary markets include cabinet hardware distributors, large O.E.M. cabinet manufacturers, Lowe's and Menards home centers, and an array of online web resellers.
