Wood Bottom-Mount Hamper System

If you are looking for ways to expand and beautify your laundry room, then the Rev-A-Shelf® 4WHOX Series is your solution. It has a 1.3-bushel removable hamper and a locking 1.7 qt. OXO container that pushes back to reveal a concealed storage area. It is designed for a full height 24" base cabinet and glides on BLUM soft-close slides. The beautiful natural maple dovetail construction with a semi-gloss finish gives your cabinets a custom appearance. Easy door mounting with our patented mounting brackets that provide 5" of adjustability and include micro-trim adjustment. US Patent No: 8,338,076

About Rev-A-Shelf LLC.

Established in 1984 as a division of the family-owned Jones Plastic & Engineering, Rev-A-Shelf's product line began as metal and polymer Lazy Susan components manufactured for the largest U.S. cabinet manufacturers and have since grown into the market-leading innovator of residential cabinet storage solutions and L.E.D. cabinet lighting.

Rev-A-Shelf, located in Louisville, KY., manufactures thousands of innovative accessories for the kitchen, bath or closet. Under the Tresco Lighting brand, Rev-A-Shelf offers a full line of LED lighting options for residential cabinetry and commercial display fixtures. Rev-A-Shelf's primary markets include cabinet hardware distributors, large O.E.M. cabinet manufacturers, Lowe's and Menards home centers, and an array of online web resellers.
