Orion Gray Solid Bottom Blind Corner Optimizer

Turn wasted space into convenient storage with Rev-A-Shelf's newest additions to our 53PSP Series. Designed for 15" and 18" blind corner cabinet openings, they feature four solid bottom textured linen shelves and orion gray flat wire. This two-tier unit includes full-extension, ball-bearing, 100 lb., rated slides with soft-close and universal mounting.

About Rev-A-Shelf LLC.

Established in 1984 as a division of Jones Plastic & Engineering, Rev-A-Shelf's product line began as metal and polymer Lazy Susan components manufactured for the largest U.S. cabinet manufacturers, and has since grown into the market leading innovator of residential cabinet storage solutions and LED cabinet lighting.

Rev-A-Shelf manufactures thousands of innovative accessories for your kitchen, bath or closet and with the acquisition of Tresco Lighting, Rev-A-Shelf offers a full line of LED lighting options for residential cabinetry and commercial display fixtures. Rev-A-Shelf's primary markets include cabinet hardware distributors, large OEM cabinet manufacturers, Lowe's and Menards home centers, and an array of online web resellers.
