## For Immediate Release

January 19, 2020

### RV Wire Bottom Mount Compo+ Pullout

#### NEW Finish

Rev-A-Shelf's RV-CK self-contained Compo+ odor-reducing bin now comes in a chrome-plated wire frame. Available in black, green, orion gray or white, it features a unique clamping mechanism and carbon filter. Ideal for disposing of smelly items such as diapers, cat litter, trash and compostable materials. Designed for 30" sink base or 15" base cabinets, it glides on 16" depth, full-extension, ball-bearing, 100 lb., rated slides. Included with each unit are compostable bags and a no-mess trash carriage.

#### Wire Pullout COMPO+ Container

RV-12KD-CK**-S	10-3/4" (273 mm) W x 18-15/16" (481 mm) D x 17-15/16" (455 mm) H	\$220.40
----------------	--	----------

\*\* WH = White, OG = Orion Gray, BK = Black

#### About Rev-A-Shelf LLC.

Established in 1984 as a division of Jones Plastic & Engineering, Rev-A-Shelf's product line began as metal and polymer Lazy Susan components manufactured for the largest U.S. cabinet manufacturers, and has since grown into the market leading innovator of residential cabinet storage solutions and LED cabinet lighting.

Rev-A-Shelf manufactures thousands of innovative accessories for your kitchen, bath or closet and with the acquisition of Tresco Lighting, Rev-A-Shelf offers a full line of LED lighting options for residential cabinetry and commercial display fixtures. Rev-A-Shelf's primary markets include cabinet hardware distributors, large OEM cabinet manufacturers, Lowe's and Menards home centers, and an array of online web resellers.
