PREMIUM QUALITY
REGISTERS & GRILLES
IN CAST IRON, ALUMINUM, STEEL, AND WOOD

American Craftsmanship

Reggio Registers® has long been recognized as the industry leading producer of decorative grilles for almost 40 years. Our commitment and dedication to uncompromised quality and craftsmanship has solidified our standing as the preferred choice among architects, builders and homeowners. We are proud of our American Craftsmanship and use only the highest grade cast iron, high-strength steel and cast aluminum in our products. Each and every Reggio Registers product is cast in the U.S.A. and is hand finished and inspected by skilled artisans in our Leominster, Massachusetts workshop.

Lifetime Guarantee*

Our products are built for longevity from only the highest grade materials. We have such confidence in the quality of our products that we offer a Lifetime Guarantee* from defects, warping and cracking. If you are dissatisfied with the workmanship or quality of any Reggio Registers purchase simply return it for a prompt exchange or refund. Our products are designed to last for generations, however wear and tear is normal, especially in high traffic areas or damp conditions.

The Finishing Touch that Gets Noticed

Your home is a representation of you. You select colors, trim, accents and furniture to represent your personal taste. Reggio Registers products provide you with the opportunity to make a stylish design statement! Our decorative metal grilles and register covers are available in 5 materials and 6 color options. Alternatively, our wood grilles can be crafted from over 250 premium wood types for a truly custom look. Reggio Registers products will give your home a unique finishing touch that will capture the attention of family and guests alike.

*Our Lifetime Guarantee does not cover normal wear and tear, such as aging or scratching, damage caused by household chemicals, or physical abuse. Lifetime Guarantee does not apply to wood products.

The Original Cast Iron Reggio Register

Our beautiful 3/16" Cast Iron Grilles still set the standard for timeless design and quality craftsmanship. Available in 27 sizes, each Cast Iron Grille comes with a full Lifetime Guarantee*.

"I purchased a cast iron metal register many years ago for an old farmhouse. I remember how happy I was with the product. Here some 20 years later, I just completed a mudroom addition project and needed something really nice to complement the new installed brick tile flooring. Reggio to the rescue! Top notch, quality product." — Bob O.

Cast Iron — Reggio Registers Classic Scroll Pattern (3/16" Thick)

| 29½" x 29½" | 32" x 32" | 3232C + H or NH | 84 lbs. |

All sizes available with (H) and without (NH) screw holes. Color matched screws included.

Back in 1978, when our founder, Mike Reggio, couldn't find high quality cast iron registers to complement his vintage home, he took matters into his own hands and made them himself. He was so pleased with the results he continued making registers, and started his very own company, Reggio Registers. Almost forty years later, our beautiful cast iron registers still set the standard for quality craftsmanship. We apply a baked on powder coat finish to provide extra protection and a rich, low luster finish that lasts and lasts. Our original register in cast iron is an excellent choice for high traffic areas or anywhere strength and durability is required. As always, our cast iron Reggio Registers come with a Lifetime Guarantee*.

How to order

The inside width and length listed is the required opening. Cut your rough opening to that size and the grille will fit perfectly. Ordering online is easy! If you fax your order, be sure to indicate the model number first, then if you want screw holes add an H at the end and if you don't want holes add NH e.g. 616C NH. If you need help just give us a call, 1.800.880.3090.

Our registers are approximately $\frac{3}{16}$ " thick and have a lip on all sides. The lip fits into the rough opening. The rough opening should be slightly larger than the inside measurement.

$\frac{3}{16}$ "

It's easy to add louvers behind Reggio Registers Grilles. Turn to page 13 for more information.

Aluminum registers are rust-proof, making them a superior choice for bathrooms and other damp environments, both indoors and out. Aluminum is also lightweight, so it is an ideal product for wall and ceiling installations. Our Reggio aluminum registers are strong enough to provide years of service to you, without warping or cracking. We guarantee it!

Our cast aluminum registers feature the classic Reggio Registers pattern and are available in six finishes: Sun Gold, Oil Rubbed Bronze, Black, Silver, White and Gray. Gray aluminum registers can be installed as is, or custom painted by you, to match your décor. As always, our cast aluminum Reggio Registers come with a Lifetime Guarantee*.

All sizes available with (H) and without (NH) screw holes. Color matched screws included.

Our registers are approximately 3/16" thick and have a lip on all sides. The lip fits into the rough opening. The rough opening should be slightly larger than the inside measurement.

3/16"

It's easy to add louvers behind Reggio Registers Grilles. Turn to page 13 for more information.

How to order

The inside width and length listed is the required opening. Cut your rough opening to that size and the grille will fit perfectly. Ordering online is easy! If you fax your order, be sure to indicate the model number first, then the color. If you want screw holes add an H at the end and if you don't want holes add NH e.g. 616A SG NH. If you need help just give us a call, 1.800.880.3090.

When our founder, Mike Reggio, set out to create a contemporary design that would work well with both modern and traditional decors, he set a new level of quality. Reggio Registers Square Grid grilles are hand finished and treated with a baked-on powder coat finish that will withstand wear both indoors and out. Before we ship our grilles to you, each one is individually inspected by our quality control experts to make sure every surface is absolutely perfect. The result is grilles of uncompromising quality that will enhance the look of any room for generations.

"I am so pleased with your product that I have told many of our friends about it. We also plan on building on our lake lot in Northern Idaho sometime in the next year or two and plan to incorporate your products in the new house.

Thank you for making such beautiful registers. They add so much to a home."

— L.L., Moscow, ID

Need to Control Air Flow? Add Louvers to Your Grilles

Adding louvers is an easy way to control air flow and increase cooling and efficiency. Our high quality louvered assemblies fit behind our grilles and can be adjusted easily with a screwdriver to tune the volume of air moving through your unit. Louver units include foam strips for proper installation. (In some instances you may need to remove the grille to adjust the louvers).

Material & Thickness Installation Applications:

3/16" Thickness
The leading choice for most installation types.

3/16" Steel – All traffic floors
3/16" Aluminum – Walls and ceilings

Step 2: Choose Product Options

| A Size (Inside Measurement) | B Material | C Thickness | D Finish | E Lip (Underside) | F Holes (Mounting) |
|-----------------------------------|---------------|----------------|-------------------|-------------------------|--------------------------|
| 2-3/4" x 10" | Aluminum | 1/16" | Black | No Lip | No Holes |
| 2-3/4" x 12" | Steel | 3/16" | Champagne Bronze | Yes Lip (+\$9) | Yes Holes (Free) |
| 2-3/4" x 14" | | | Gray | | |
| 4" x 8" | | | Oil Rubbed Bronze | | |
| 4" x 10" | | | Satin Nickel | | |
| 4" x 12" | | | Silver | | |
| 4" x 14" | | | Sun Gold | | |
| 6" x 6" | | | White | | |
| 6" x 10" | | | | | |
| 6" x 12" | | | | | |
| 6" x 14" | | | | | |
| 6" x 30" | | | | | |
| 8" x 8" | | | | | |
| 8" x 10" | | | | | |
| 8" x 12" | | | | | |
| 8" x 14" | | | | | |
| 9" x 20" | | | | | |
| 10" x 10" | | | | | |
| 10" x 14" | | | | | |
| 10 1/4" x 12 1/4" | | | | | |
| 12" x 12" | | | | | |
| 12" x 14" | | | | | |
| 12" x 24" | | | | | |
| 14" x 14" | | | | | |
| 14 1/4" x 18" | | | | | |
| 18" x 18" | | | | | |
| 24" x 24" | | | | | |

***1/16" grille thickness is not available in Aluminum.**

Looking for a hard to find size? We've got you covered. Large or small, we can make any size grille in all of our design patterns. Call us at 1.800.880.3090 or visit us at www.ReggioRegister.com for details.

Step 3: Locate Sku on Model# Chart

| Chosen Material | Chosen Thickness | Model# Chart | Catalog Page |
|-----------------|------------------|----------------------------|--------------|
| Aluminum | 3/16" | Aluminum - 3/16" Thickness | 16 |
| Steel | 1/8" | Steel - 1/8" Thickness | 17 |
| Steel | 3/16" | Steel - 3/16" Thickness | 18 |

***1/16" grille thickness is not available in Aluminum.**

Custom sizes are no problem!

Looking for a hard to find size? We've got you covered. Large or small, we can make any size grille in all of our design patterns. Call us at 1.800.880.3090 or visit us at www.ReggioRegister.com for details.

Air Return Grilles

Transform a large-volume, filterless cold-air return into an attractive architectural accent with any of our decorative wall return grilles. Easily match your return pattern and color to your grilles to create a beautiful look that ties everything together. Choose versatile aluminum, traditional cast iron or steel in any of our standard color choices. All are 3/16" thick for a durable, reliable return grille that will last for generations. Our steel grilles do not have an underside lip.

Our Reggio Registers Square Grilles are the top choice of designers, architects and homeowners seeking designs that will complement both traditional and contemporary settings.

We craft our distinctive registers from solid high-quality steel, hand finishing each one with a powder coat to create a modern look that will last for generations. Our square grilles are available in six colors: Sun Gold, Oil Rubbed Bronze, Black, Silver, White and Gray. For a custom look, you can paint our gray grilles any color you choose using paint specified for metal applications.

Custom sizes are no problem!

Looking for a hard to find size? We've got you covered. Large or small, we can make any size grille in all of our design patterns. Call us at 1.800.880.3090 or visit us at www.ReggioRegister.com for details.

How to order

The inside width and length listed is the required opening. Cut your rough opening to that size and the grille will fit perfectly. Ordering online is easy! If you fax your order, be sure to indicate the model number first, then if you want screw holes add an H at the end and if you don't want holes add NH e.g. 616C NH. If you need help just give us a call, 1.800.880.3090.

Our steel grilles are 3/16" thick and do not have a lip. They will need to be screwed in to be held in place.

Finish the Look with Matching Switch Plates

We are pleased to introduce a complete line of coordinating Reggio Registers switch plate and outlet covers to match our Reggio Registers products. Completing the look of a room has never been easier! Our switch plates are made from high-quality steel and are available in Gray (G), Oil Rubbed Bronze (RB), Silver (S), Sun Gold (SG), Black (B), and White (W). For a custom look, you can paint our gray switch covers any color you choose using paint specified for metal applications.

NO ADDITIONAL SHIPPING CHARGE on your Reggio Switch Plates when purchased with your register order!

4 Easy Ways to Order

We gladly accept returns or exchanges. To process a return or an exchange please repack the product in the original shipping carton. No refunds are given on original shipping charges. We ask that you carefully check sizes and measure accurately before ordering your product.

There's nothing to it!

Note: We also include the overall dimensions or outside measurements (which are larger than the opening) of each grille and register. If you are putting them close to a wall, cabinet etc., please measure the area to make sure you will have enough room to accommodate the overall size of the grille or register.

We package all our products in a superior manner, so your order will arrive without any dings, dents or scratches!

Thickness: Our products are made to last for generations. The solid edge of most of our metal registers and grilles is approximately 3/8" thick. (The 32" grille is approximately 1/4" thick.) Grilles and registers can be recessed into the floor (wall or ceiling) to achieve a flush mount installation.

Enjoy the Natural Beauty of Wood

While our handsome wood grilles are the natural choice for rooms with hardwood floors they also look amazing mounted on other surfaces including stone, tile, or carpet.

Our wood grilles are crafted with the same care and attention to detail as our cast metal grilles, utilizing the natural beauty of wood to enhance your surroundings for years to come. We stock White Oak, Red Oak, Cherry and Maple for quick delivery. Additionally, we can make virtually any grille custom as we have over 250 varieties of premium and exotic woods, including Poplar, Hickory and Bamboo. We have the capability to match the color and luster of all major pre-finished hardwood flooring and wood laminate brands on the market today. Please call **1.800.880.3090** for more information.

Surface mount styles can be ordered pre-finished with our high quality natural clear finish, or unfinished, which allows you to stain or paint them yourself for a custom look. Flush mount styles are only available unfinished to ensure a perfect match with your floors.

Beautiful Grilles in Any Wood

Note: While our surface mount wood grilles can be installed in the floor, they are not recommended nor guaranteed for high traffic areas where they will be continually walked on.

Surface Mount Supply Vents

| Inside Measurement | Outside Measurement | Model # |
|--------------------|---------------------|---------------------|
| 2¼" x 10" | 4¼" x 12" | 412S + wood+ finish |
| 2¼" x 12" | 4¼" x 14" | 414S + wood+ finish |
| 2¼" x 14" | 4¼" x 16" | 416S + wood+ finish |
| 4" x 10" | 6" x 12" | 612S + wood+ finish |
| 4" x 12" | 6" x 14" | 614S + wood+ finish |
| 4" x 14" | 6" x 16" | 616S + wood+ finish |
| 6" x 10" | 8" x 12" | 812S + wood+ finish |
| 6" x 12" | 8" x 14" | 814S + wood+ finish |
| 6" x 14" | 8" x 16" | 816S + wood+ finish |

Install the integral frame as shown for flush mount grilles as new floor is installed. Finish grille to match hardwood floor. **Note:** While our flush mount wood grilles can be installed in the floor, they are not recommended nor guaranteed for high traffic areas where they will be continually walked on.

Flush Mount Supply Vents (Includes integral frame)

| Inside Measurement | Outside Measurement | Model # |
|--------------------|---------------------|---------------------|
| 2¼" x 10" | 5" x 12¾" | 412F + wood+ finish |
| 2¼" x 12" | 5" x 14¾" | 414F + wood+ finish |
| 2¼" x 14" | 5" x 16¾" | 416F + wood+ finish |
| 4" x 10" | 6¾" x 12¾" | 612F + wood+ finish |
| 4" x 12" | 6¾" x 14¾" | 614F + wood+ finish |
| 4" x 14" | 6¾" x 16¾" | 616F + wood+ finish |
| 6" x 10" | 8¾" x 12¾" | 812F + wood+ finish |
| 6" x 12" | 8¾" x 14¾" | 814F + wood+ finish |
| 6" x 14" | 8¾" x 16¾" | 816F + wood+ finish |

Our Surface Mount registers are approximately ⅜" thick and have a lip on all sides. The lip fits into the rough opening. The rough opening should be slightly larger than the inside measurement.

Need to control air flow?

Try our new attachable dampers for wood grilles. Visit www.ReggioRegister.com for available sizes.

Flush Mount registers are approximately ¾" thick and have a ¼" groove on all sides. The integral frame accommodates tongue and groove full thickness wood (¾") flooring.

How to order

The inside width and length listed is the required opening. Cut your rough opening to that size and the grille will fit perfectly. Ordering online is easy! If you fax your order, be sure to indicate the model number first, then the wood choice and finally finished (F) or unfinished (U). e.g. 416S C F. for model 416 in cherry with clear finish. If you need help just give us a call, 1.800.880.3090.

Air Return Grilles

Our Reggio Registers wood surface mount and wall returns are a dramatic and beautiful upgrade for old, outdated, return registers. We craft each register with exceptional attention to detail. Our surface mount and wall returns ensure ample air flow in your large openings. You can order our returns prefinished with our natural clear finish, or unfinished, which allows you to stain or paint them to match your room décor. Reggio Registers stocked wood includes: White Oak and Red Oak. Additionally, we have over 250 wood varieties available. We can make your returns in virtually any size or variety of wood.

Note: Surface mount wood grilles can be installed in the floor, however we do not recommend installation in high traffic areas where wood will be continually walked on.

Custom Orders

We can make Wood Returns in any size. Please call **1.800.880.3090** for a price quote from one of our knowledgeable Customer Service Representatives.

Our Surface Mount registers are approximately $\frac{3}{8}$ " thick and have a lip on all sides. The lip fits into the rough opening. The rough opening should be slightly larger than the inside measurement.

Air Return Filter Grille

Our wood return grilles add distinct style and sophistication to an otherwise bland and often unsightly air system necessity. Available in standard or fully customized patterns, our wood return grilles can be fitted into either flush or surface mount installations. Each grille is crafted ensuring expert precision with the highest level of quality and attention to detail. Available prefinished or unfinished.

High-Velocity Outlets

Sun Gold

Our Reggio Registers high-velocity outlet covers let you match your HVAC system's covers to your home's décor, giving you the long lasting and high quality crafted product you desire. Most high-velocity heating and air conditioning systems come with a standard white plastic ring to cover the duct opening. These mass produced plastic covers are unsuitable in homes with historic, vintage or distinctive design features, as the plastic covers detract from the beauty and elegance you are seeking. We are proud to offer you a hand crafted, high quality alternative that is as extraordinary as your home.

Built-in guard protects outlet holes

At Reggio Registers we want to protect your system from objects that don't belong in it. Our built-in guard keeps items as small as marbles from ending up in your system.

In response to the growing demand for attractive high-velocity outlet covers suitable for distinctive homes and commercial properties, we are pleased to offer our own line of outlet covers. We currently stock aluminum outlet covers with durable baked-on powder coat finishes in six colors, as well as Solid Brass, and Solid Red Oak. Choose the color and material that best suits your home and budget. If you wish to custom paint your outlet, select gray aluminum and paint it with a paint specified for metal. High-velocity vents work with 2" flex tubing.

| | Style # | Material | Outside Measurement |
|---------------------------|---------------|----------|---------------------|
