Let AAMI V

**Land your Dream Job**
AAMI has a robust career center filled with more than 1,000 job listings, resume tips, and interview guidance. Members can post their resumes for free.

**Mentoring from the Best**
The AAMI Mentorship Program pairs protégés, such as yourself, with a seasoned mentor to help guide you through common career challenges so you can keep climbing the ladder.
Have Questions? Need Advice?
Through our online discussion groups and social media channels, AAMI connects you to industry leaders and other young professionals who can answer your questions, share insights and more!

Essential Resources
AAMI members gain access to a wide range of resources including publications, webinars and certifications, to give them a leg up on the competition.
Be a leader, stand out, and get recognized

Past AAMI Scholarship Winners

“The AAMI Scholarship provided me a platform to connect with pioneers in the HTM field and my membership gave me access to the AAMI Career Center, which helped a lot during my job search.”

“Aas an HTM professional, I want to make clinicians’ jobs easier by providing them with reliable, friendly, and efficient customer service and my AAMI Membership provides me with the tools I need to do that.”

Avinash Konkani, PhD, MS, BE, Clinical Engineer
University of Virginia Health System

Lacie Wiggam
Biomedical Engineering Technology student
IUPUI
