

# INTERNATIONAL ASSOCIATION OF MOVERS MEMBERSHIP

Thank you for your interest in joining the International Association of Movers (IAM). To consider your company for IAM membership, IAM requires your company to have a minimum of one year of experience, and you must provide the following items:

- The completed membership application form
- Sponsorship letters from two current IAM members stating that they are recommending you for membership, on sponsoring company's letterhead, signed by a company official
- A PDF or JPG of current country/state/province business license or registration including (if applicable) an English Translation and tax ID number
- The full name of each company principal owning and/or with a controlling interest in 5% or more of the company
- Payment of initiation fee and dues
- If a company has been out of the membership for over 24 months, they will need to reapply for membership.

After IAM's receipt and verification of the items referenced above, your company's name will be posted as a prospective member on the IAM website for 30 days for IAM members to review. At the end of the 30-day period, your company will become an official IAM member, unless we receive member comments or information that would necessitate further evaluation by IAM.
