

IASP - Committee on Committees

Relevant by-law:

10.04 Standing Committees. Committee on Committees. This committee shall be chaired by the President--Elect. The duties of the committee shall be to propose to the Council the names of and terms of all committee Members.

Charter

Responsibilities

1. Monitor

- Monitor committee realignment.

2. Generate Policy Recommendations

- Make recommendations to Council that seek to broaden membership participation in the committees of the Association.
- Make recommendations to Council that ensure diversity, including race, gender, age, and geographic and professional diversity across committees and within each committee.
- Recommend, for Council approval, adjustments and modifications to the Society's committee structure as needed.

3. Manage Activities

- Solicit committee member and chair replacement candidate suggestions from committees, Council, and the general membership.
- Communicate with committee chairs and Council with regard to the status and success of committee realignment.
- Manage other governance tasks as assigned by Council.

Composition

The committee is composed of not less than six members who typically serve a six-year term. Members of the committee are selected by the Executive Committee.

Schedule

The Committee will conduct its business by email and conference calls. In exceptional circumstances it may also meet face-to-face. Most of the activities of the committee will take place in the months prior to the World Congress, when the rotation of members in all committees takes place. The committee can also be called at any time by Council, the Executive Committee or the President to propose names for a specific assignment.

The Committee on Committees chair will make a formal presentation of the activities of the committee to Council at the annual meeting each year.
