

Thank you for participating in the 2021 SNMMI Mid-Winter and ACNM Annual Meeting

Will Continuing Education credit be offered at this meeting?

Yes. You can earn **27.5 continuing education credits** by watching the Live Sessions **or** the On-Demand recorded sessions.

How will you know that I attended a Live Session?

During the **Live Sessions**, we confirm CE Attendance by tracking log-in time, online duration, and responses to non-graded pop-up questions. These confirm you are actively viewing the presentation.

How do I earn CE Credits for watching the Live Sessions January 28-31, 2021?*

To earn **CE Credits** from watching the Live Sessions, participants must:

- Log into each scheduled Live Session **ON TIME** & view the entire session. *
- **Respond to the non-graded polling questions that appear.**
- Complete the Evaluation Survey after the Meeting is concluded

** Partial credit will not be awarded for partial attendance.*

How will I get my certificate of credit?

During the week of February 15, SNMMI will send you an Evaluation link. This must be completed to receive your CE Certificate.

To complete the Evaluation and receive CE Certificates, participants will

- Log into the SNMMI Learning Center at www.SNMMILearningCenter.org
- Complete the Evaluation Survey
- Download/print/save their CE Certificate.

.....
The Live Meeting sessions will be available on the Meeting Website for 30 days, and then On-Demand in the SNMMI Learning Center afterward.
.....

How do I earn Continuing Education Credits after viewing the On-Demand sessions? *

To earn **CE Credits** from watching the **On-Demand** sessions, participants must:

- View the entire recorded session posted in the Mid-Winter Meeting site *
- **Respond to the non-graded polling questions that appear.**
- SNMMI will send you a link to the Evaluation Survey within 2 business days after you complete the session

** Partial credit will not be awarded for partial attendance.*

To earn CE Credits from watching the On-Demand sessions after March 1, 2021:

- Log into the SNMMI Learning Center at www.SNMMILearningCenter.org
- Select the **2021 SNMMI Mid-Winter and ACNM Annual Meeting** module to view
- Complete the **Assessment Questions, and then the Evaluation**
- Download/print/save their CE Certificate
- On-Demand CE Credit is issued on the date the Assessment and Evaluation are completed.

Note:

*Participants can earn credit for either a Live Session **OR** as an On-Demand Session, but not both*

CE Accreditation Information

The 2021 SNMMI Mid-Winter and ACNM Annual Meeting provides physicians, technologists, pharmacists, laboratory professionals, and scientists with an in-depth view of the latest research and development in the field as well as providing insights into practical applications for the clinic.

By attending the SNMMI 2020 Annual Meeting - Virtual Edition, participants will be able to:

- Examine and evaluate future directions in nuclear medicine, molecular imaging, and therapy from a clinical and research perspective.
- Describe the latest indications and applications of radiopharmaceutical therapy.
- Discuss new therapeutic and diagnostic agents that are impacting the practice of nuclear medicine and molecular imaging.
- Examine important procedures, and guidelines for imaging.
