

CONVINCE YOUR BOSS

AI ASSISTANT SUMMIT

London, 15-16 March

WHAT IS IT ALL ABOUT?

We all know that AI is here to stay. It's not just myth anymore. It's real and being used not only by the top companies around the world, but also now ever increasingly by small and medium sized enterprises. The AI Assistant Summit explores the latest technological advancements in AI for those further along the AI journey as well as looking at how to introduce AI into Enterprise and the Ethics of AI for first time users. The summit will cover an array of AI topics including; Neural Networks, Voice Recognition, Virtual Agents, Deep Learning Algorithms & Natural Language Processing.

- University College London
- ING Bank N.V.
- Zalando
- Renault
- Sage
- Paypal

DON'T JUST TAKE OUR WORD FOR IT

I'd like to thank you for inviting me to the event. It was one of the best machine learning/AI event I have attended.

Adi Chhabra, **Vodafone**

I had the opportunity to meet with the head of a prominent VC firm and found out about startups that would like me to be their technical advisor. I was able to bring my research to a wider audience. Great event!

Research Scientist, **OpenAI**

It's a fantastic event with lots of industry and technical experts, sharing the latest trends and technology of how AI assistants would help business.

Ken Young, **Claire.AI**

The summit opened my mind for the current AI research. In addition, I got to meet smart and nice people in the field. I think it would make me a better researcher in AI.

Uri Itai, **Knowmail**

SUPPORTED BY LEADING COMPANIES

As the summits continue to grow, we welcome new speakers, sponsors and exhibitors each year as well as returning companies who continue to benefit from the wealth of knowledge and expertise.

WHAT'S INCLUDED?

Full access to presentations from the AI Assistant Summit track and the parallel Deep Learning in Finance and Deep Learning in Retail and Advertising tracks. There will also be **interactive sessions** and **panel discussions**. On both days a light breakfast, a hot lunch, tea and coffee and refreshments will be provided.

There will be **free wifi** so you can catch up on those important emails, as well as **charging stations** available. Across the summit there will be **7+ hours of networking** with **650+ attendees** across both tracks, including a drinks reception at the end of day 1. You will also receive **post-event access to all the filmed presentations**.

Group discounts available on summit tickets : TEAM3: save 20%, TEAM5: save 30%
