## Book 42: Fun with the Sheet

### Review Words

to, was - Special Word

met, hit - Decodable

### Plot Summary

Will's sheet is muddy so he hangs it on the line. He beats the sheet with his trunk to get the dirt out. Ann and Sam help him, but the sheet falls down on them. Mit joins them and they decide to wash the sheet in the well. The sheet slips into the well and falls on a fish. When the animals get the sheet out, they wring it and hang it up to dry. When the sheet has dried, the animals have fun tossing Will up and down on it.

Each new word throughout the program is repeated at least five times in the book in which it first appears and five more times in the next ten books.

In 1972, the federally funded Southwest Regional Laboratory for Educational Development & Research and Ginn and Company published The Sam Books of early readers as part of a Beginning Reading Program. Because it was federally funded, federal law required the program be placed in the public domain in 1977.
