Book 82

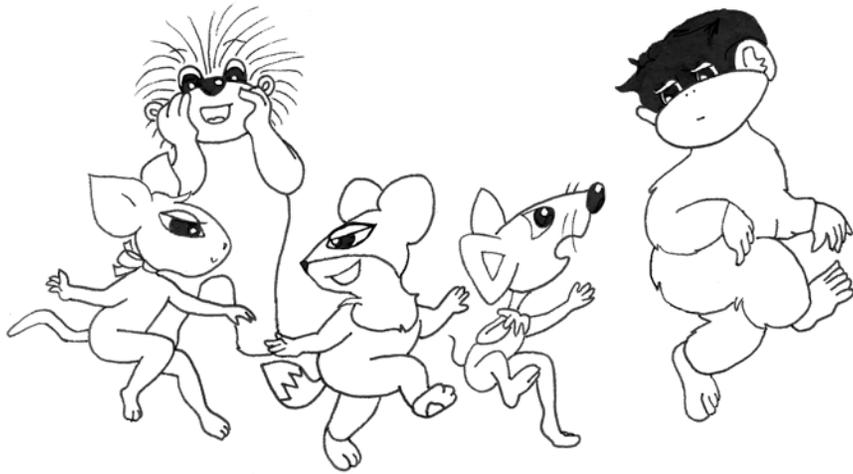

They meet at the city park.

“Form a ring. I will be in the center,”  
says Sam.

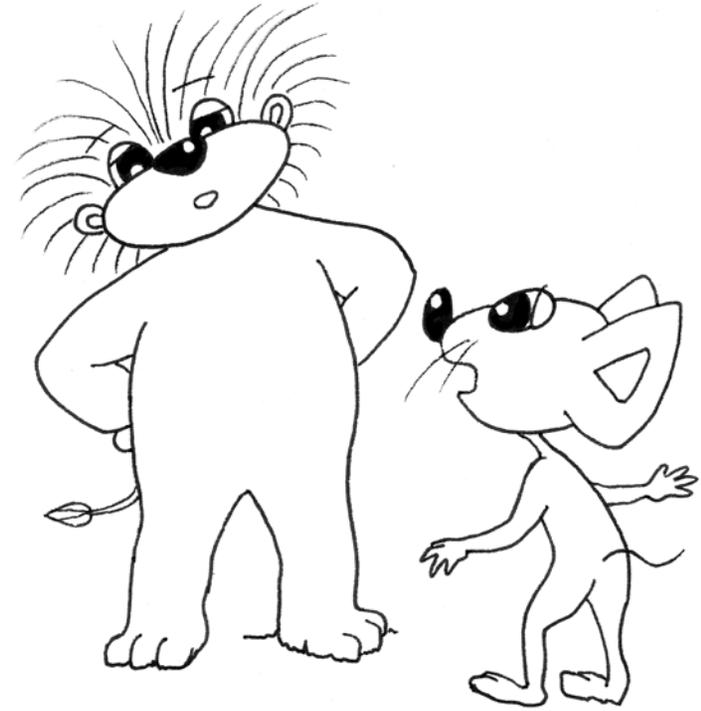

“Now all jump! Hands on your head.  
Jump high! Use your legs!”

“Now hop! We will all be fit and well,”  
says Sam.

“I need to take the giant nut to Nell at  
the farm,” says Mat.

“We can all jog from the city to the  
farm,” says Sam.

“No, I am too small to jog to the farm.  
It is too far from the city. Can we go in  
your van?” asks Mat.

“My van is in the shop. We can cycle to the farm. Let’s take the bike path,”  
says Sam.

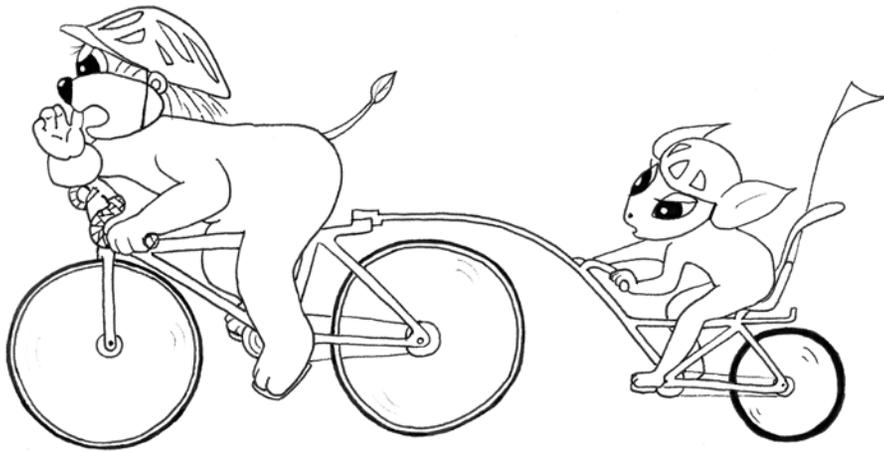

“But my bike is too small,” says Mat.

“You can go on that bike with Max,”  
says Sam.

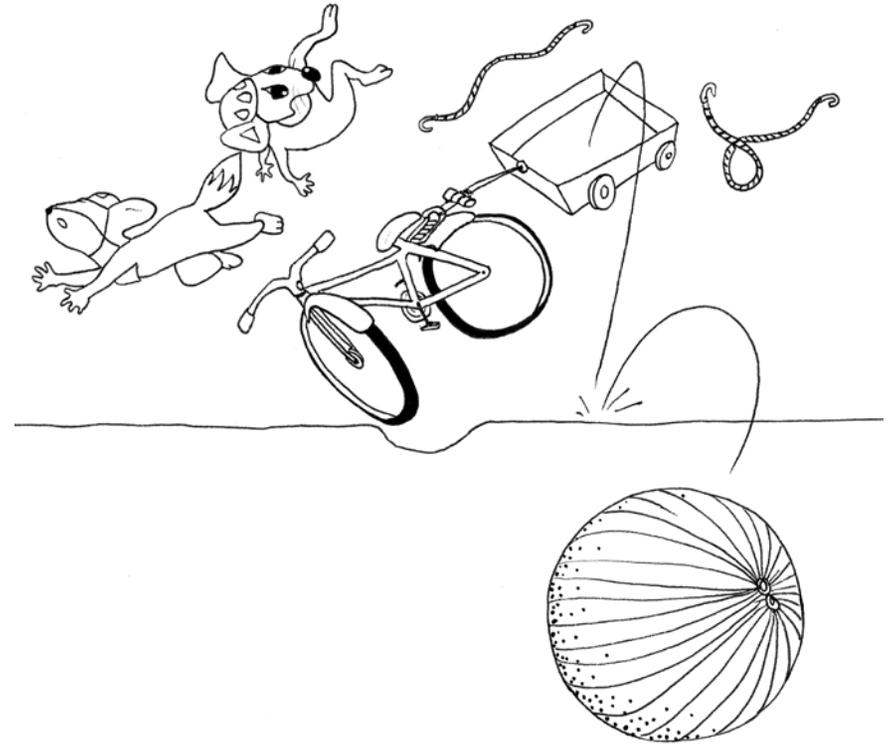

They all cycle on the bike path from the city to the farm.

“Max! Do not cycle that fast!”  
Says Mit.

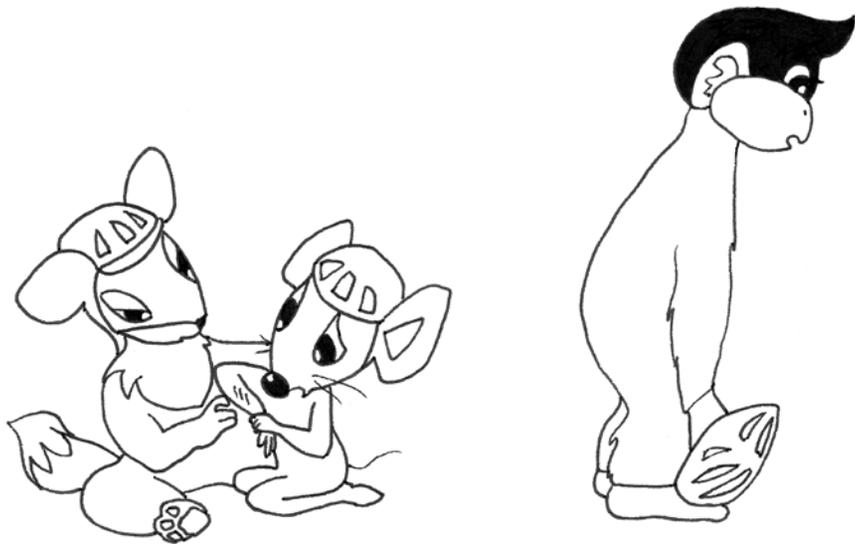

“Max, look, there is a hole!” Says Sam.

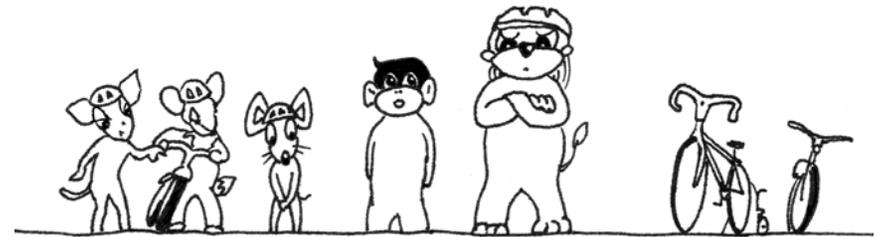

“Max, your bike will hit the hole!”  
Says Kit.

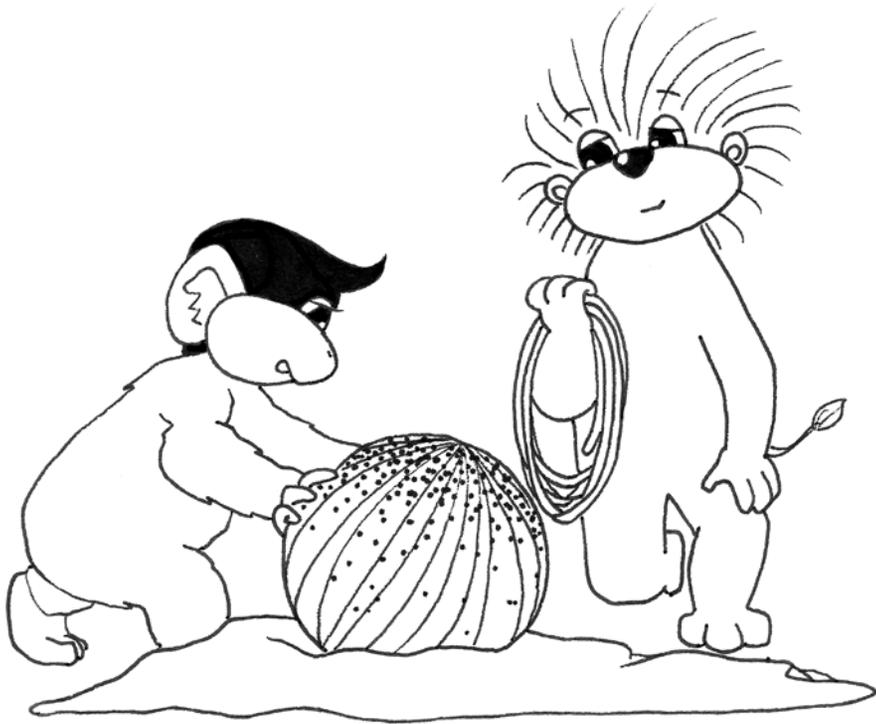

The bike hits the hole.  
Max and Mat fall from the bike.  
The giant nut hits the ground.

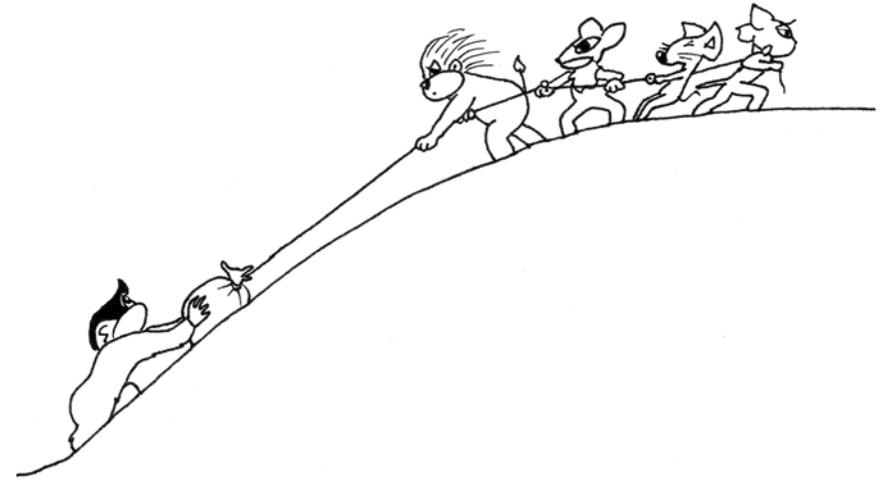

“Check my arm, Max,” says Mat.  
“No, the giant nut is lost,” says Mit.

“Look! The nut is there.  
It is in the dirt,” says Kit.  
“Let’s use the sheet and rope to get the  
giant nut back,” says Mit.

“Lay the nut in the center of the sheet.  
I will tie up the sheet with the rope.  
Then we can get the nut back to the  
bike path.”

They get the giant nut  
back to the bike path.

They cycle from the city to the farm.

They meet Nell at the barn.

“It is very far for you to cycle from the city to see me,” says Nell.

Nell likes the giant nut. She sets the nut in the center of a hole in the ground.

“It will be a giant nut tree.”
