

# Green Grasshopper

Green Grasshopper, hop! hop! hop!  
Green Grasshopper, hop! hop! hop!  
Your legs are so strong, you jump so high  
But I'm gonna catch you! hop! hop! hop!

Over the bush and into the tree  
Onto a rock and into the stream  
But I'm gonna catch you! hop! hop! hop

So put your legs together and play your violin

Green Grasshopper, hop! hop! hop!  
Green Grasshopper, hop! hop! hop!  
Your legs are so long, you jump so far  
But I'm gonna catch you! hop! hop! hop!

Onto a leaf, balanced on the edge  
Out of the grass and over the hedge  
But I'm gonna catch you! hop! hop! hop

So put your legs together and play your violin

Green Grasshopper, hop! hop! hop!

Green Grasshopper, hop! hop! hop!

Your legs are so quick, you jump so fast

But I'm gonna catch you! hop! hop! hop!

It's getting late and I'm getting tired

You're moving much too fast

And I don't know where you hide

I'm not gonna catch you! hop! hop! hop

So put your legs together and play your violin

I guess I'll never catch you!

Hop! hop! hop
