

# Hush, Hush, Hushabye

Hush, hush, hushabye,  
Hush, my baby, do not cry;  
Nice sugar'd broth to you I'll bring,  
And 'til you sleep, to you I'll sing,  
Hush, hushabye.

Hush, hush, hushabye,  
Hush, my babe, no danger nigh,  
As in your cradle now you swing,  
Until you sleep I softly sing,  
Hush, hushabye.
