The Honorable President Ben Shelly,

I am submitting my letter of interest for consideration to be re-appointed to the position of Board of Directors to the Navajo Nation Shopping Centers, Inc. by your office.

I have been serving as a Board member as the Chinle Agency representative for several years now. The experience was demanding but it was a pleasant challenge. My Board of Director term has ended as of November 7, 2010.

I have been serving as the Board Chairperson since my first appointment and I am very proud to say that together we have accomplished a tremendous turn-around in establishing stability and financial growth for the Shopping Centers. Under my leadership we have developed many policies for the overall administration to designate the staff in securing a more effective and efficient management control for the organization. We have also developed strategic plans for the next five years as a guide and direction. We have been working with the Economic Development Division Executive Director on further challenges to make the Navajo Nation Shopping Centers better and more productive. We have advocated for and hired degreed staff members to take the Shopping Centers to higher level of performance.

I am interested in staying on the Board for the sake of continuity and to ensure adequate implementation of all newly developed strategies in marketing, finances, tenants, policies and procedures on collection, leases, and overall positive direction we have set forth for the administration.

Your sincere consideration in the re-appointment is greatly appreciated. If you have any questions or concerns, please do not hesitate to contact me at (928) .

Sincerely,
