CITY OF CHULA VISTA AUTO PARK SPECIFIC PLAN

The project involves the development of an automobile sales park on the 38-acre site and would be processed by the City of Chula Vista under a specific plan application (PCM-02-04). The Auto Park North Specific Plan calls for the construction of approximately 99,650 to 130,000 square-feet of dealer showrooms and ancillary automobile support buildings ranging from 8,250 square-feet to 93,450 square-feet. Total developable square-footage will range from approximately 158,400 square-feet to over 200,000 square-feet. The variable in the project's total buildable square footage is the area of the specific design requirements that each individual manufacturer and dealership requires.
