## PROPERTY OVERVIEW

This rare freestanding two-unit, 6,144 SF office building sits on 1.61 acres and is partially leased to the Cleveland Clinic, making it ideal for an owner-occupier. The property offers 2,544 SF of space available for lease or owner use. The Cleveland Clinic lease runs through December 31, 2026, with two additional two-year renewal options extending through December 31, 2032, and includes a 120-day termination right. The existing lease generates \$54,000 in annual rent, with the tenant covering 59% of taxes, insurance, and common area costs, and also includes a first right of refusal on the adjacent available space.

## LOCATION OVERVIEW

Located at the Route 43 and I-76 interchange in Kent, at the corner of Kelso Drive and Falcon Drive, the property offers excellent access and visibility. The Route 43 exit serves Kent State University, making this a highly accessible and well-positioned location.
