KIDS CAMPUS GUIDELINES

Kids Campus is offered for children (6 weeks – 8 years) to utilize while parents are working out in the building. In order to use Kids Campus, a Family Membership is required. Our friendly caregivers will interact and lead age-appropriate activities with the children. For the safety of each child, Kids Campus Staff are First Aid, CPR, and AED certified.

Children can remain in Kids Campus for no more than 2 hours per day

Parent/guardian **MUST** remain in the building at all times

Reservations are required to ensure adequate staffing.

Reservations close 1 hour after opening each day

Drop-ins are welcome; however, space is not guaranteed.

Our team members cannot change diapers. Changing tables are located in the mens and womens bathroom in the main lobby. We will locate you if your child needs to be changed. If clothes are wet or soiled, a change of clothes must be put on before the child returns to Kids Campus.

Hitting, biting, bullying and aggressive behavior is not accepted in Kids Campus. Should a child have a hard time with these rules, parents will be located and asked to pick up their child. Repeated behavior issues could result in child taking time off from Kids Campus until behavior passes.

We allow a child to “cry it out” for 10 minutes. If a child cries consistently for 10 minutes, a parent will be located and asked to calm the child before returning to Kids Campus.

Socks must be worn at all times.

If your child displays signs of a contagious illness (runny nose, deep cough, diarrhea, rash, elevated temperature, red eyes, or eye discharge), please keep them home until symptoms resolve.

Only parents, legal guardians or authorized grandparents/nannies are allowed to pick up. Please do not send a sibling to pick up.

Our team members will do our best to work with any child who may have special needs; however, we reserve the right to refuse any child who is unable to adjust to our services.

DURING YOUR VISIT

All children must be signed in upon dropping off. Please sign each child in separately, on their own line. Let us know your location/activity in the Y and if your child has any special needs or requirements.

Snacks and water bottles are allowed. All snacks must be peanut/tree nut free. Sharing of snacks is not allowed.

Please label all belongings — water bottle, snacks, teething toys – so that we can properly identify what belongs to your child.

Prior to dropping your child(ren) off, we encourage families to use the washroom before getting checked in.
