

WELCOME TO THE FAMILY!

The YMCA of Greater Erie is a volunteer-founded, volunteer-led organization. Our cause is to strengthen communities, committed every day to youth development, healthy living and social responsibility. Y volunteers contribute thousands of hours each year helping our community to learn, grow and thrive.

When you volunteer at the Y, you take an active role in creating significant change right in your own neighborhood. Whether you want to help people improve their overall health, support children and youth as they grow into adults, create a welcoming environment, or simply make a difference in someone's life, the Y has a wide variety of volunteer opportunities to match your passion, skills and schedule, including coaching youth sports, participating on boards and committees, and coordinating special events.

Volunteering is more than just sharing your time and passion, it's about the satisfaction of knowing you are helping people become stronger, giving back to your community and gaining valuable work experience that will enhance your career opportunities.

Here are just a few of the many benefits you can receive from volunteering:

- New skills, increased confidence and enhanced leadership skills
- Fulfillment from knowing you are making a difference in your community
- Valuable work experience
- New friends from all walks of life
- Being a part of an organization with a history of giving back to its community
- Completing community service hour requirements

There is no other volunteer organization quite like the Y. That's because in 10,000 neighborhoods across the nation, we have the presence and partnerships to not just promise, but to deliver, lasting personal and social change. Each of our volunteers helps move people and communities forward, delivering the benefits of good health, strong connections, greater self-confidence and a sense of security to all who seek it.

ANNUAL CAMPAIGN VOLUNTEER

SEASON Ongoing

DESCRIPTION As a volunteer, you are an integral part of a team that will help achieve our financial goal which ultimately provides the financial resources needed by the Y to support our community and those that need us most. Your most important job is to:

TELL THE Y STORY: Let people know how the Y is strengthening the community and improving the quality of life for the 30,000 we serve. Ask your branch executive director or campaign chair for Y stories that you can share. A great way to learn Y stories is to visit a Y program and see our mission in action. This lends itself also to sharing this program with others as you ask for their support.

ATTEND CAMPAIGN EVENTS: Be active in the campaign. You'll meet other campaigners, learn more about Y programs, and celebrate success. A calendar is included within this guide.

MAKE YOUR GIFT FIRST: Your gift demonstrates your commitment and belief in the Y. After making a personal gift, it is much easier to ask someone else to do the same.

ASK: Think about your connections at the Y – the small groups you belong. Perhaps you take a group exercise class or you shoot hoops with some guys in the morning, maybe you and others are regulars on the treadmill. These are the people you feel most comfortable with and perhaps can join you in contributing. You perhaps may be asked by your Branch Executive or your Campaign Chair to review a list of past stewards or a list of new stewards we've identified. It's important to keep clear communication with the Branch Executive and Campaign Chair to avoid duplication.

SUBMIT COMPLETED PLEDGES WEEKLY: Please turn in pledge cards for those that gave and those that declined to your Branch Executive or Metro Office.

WRITE PERSONAL THANK YOU NOTES TO THE DONORS YOU SOLICIT: A hand-written thank you note is important, and should be sent ideally as soon as 48 hours, but not later than one week from when a steward makes a gift. Blank note cards are available from your Branch Executive or Metro Office.

SKILLS & REQUIREMENTS Be a people person and possess good communication skills
