What to Expect at Summer Camp

As we slowly open our Summer Camp program, we have implemented additional safety procedures for the health and safety of youth development participants and staff.

- Staff will check every child's and staff member's temperature with a No Contact Infrared Forehead Thermometer. In addition our camp team will have the below series of 4-5 health and safety questions for each child and staff member. Children and staff with a 100 degree temp or the below health and safety questions answered yes will not be allowed in camp. Those with a temperature over 100 degrees will not be allowed to return for 3 days at this point there must be a proven improvement in temperature.
 - YMCA Of Greater Tulsa Health and Safety Youth Development Questionnaire
 - Has your child or anyone in your house traveled to another country in the last 14 days?
 - Have you or your child been in contact with someone under suspicion for, or with a confirmed case, of COVID-19 (Corona virus)?
 - Have you or your child or any family member been instructed to self-quarantine?
 - Are you or anyone in your household experiencing symptoms of illness?
- YMCA of Greater Tulsa Staff as well as Janitorial Staff are routinely cleaning, sanitizing and disinfecting toys, and removing program items that cannot easily be cleaned.
- Summer Camp programming and camp groups will encourage distancing will providing excellence in keeping your child engaged and active while in our care.
- We highly encourage all participants over the age of 2 to follow the CDC protocols for face coverings. YMCA of Greater Tulsa youth development staff will wear face coverings and gloves in program areas.
- Children need to wash hands upon arrival to the facility before entering the program as well as when they leave the program before leaving the facility.
- Staff will monitor child handwashing after restroom use, sneezing, coughing, before and after meals, and other times.
- Each YMCA of Greater Tulsa Branch will have limited capacity that will assist in social distancing of program participants.
- Only your child can come into the Camp Area, we will ask that you stay in the check-in/check-out area.
- Personal items should be limited to only the items that are necessary for the day, i.e. swim suit, towel, lunch, snacks, etc. Each camper will have their own space to put their personal items please ensure that their personal items have their name and age on them. This area will be cleaned out nightly.
- During this time there will not be a lost and found. Please ensure that your child is responsible for the necessary items that they bring to camp. The limiting of lost and found will result in items that are left not being in the facility the next day.
