What to Expect upon Arrival to YMCA GO Club

As we open our GO Club program, we have implemented additional safety procedures for the health and safety of youth development participants and staff.

Upon Staff Arrival:

- Immediately upon arrival, YMCA of Greater Tulsa Staff will have their temperature taken with a No Contact Infrared Forehead Thermometer. In addition, will answer a series of 5 health and safety questions daily. Staff with a 100-degree temp or a health and safety question answered yes will **not be allowed** in program. Those with a temperature over 100 degrees will **not be allowed to return for 3 days** at this point there must be an improvement in temperature.
- Staff will wash hands upon arrival to the facility before entering the program as well as when they leave the program, before leaving the facility.
- Personal items that are not essential to your workday are not permitted into the building. Permitted Items: i.e. backpack, towel, lunch, etc.

Upon Student Arrival:

- Students will immediately have their temperature taken with a No Contact Infrared Forehead Thermometer. In addition, will answer a series of 4-5 health and safety questions daily. Students with a 100-degree temp or a below health and safety questions answered yes will **not be allowed** in program nor will their siblings. If your student or anyone in the household are showing signs of contagious illness students will be asked to stay at home. Those with a temperature over 100 degrees will **not be allowed to return for 3 days** at this point there must be an improvement in temperature.
- Students will wash hands upon arrival to the facility before entering the program as well as when they leave the program, before leaving the facility.

Personal Protective Equipment:

- Staff will wear a face covering and gloves at all times while in the building and with a group of children.
- Staff will wash their hands after restroom use, sneezing, coughing, before and after meals, and other necessary times.

Check In/Out Procedures for Staff:

- Staff will be expected to assist in our check in and out in different ways depending on the needs of the GO Club.
 - Roles that will be needed are, but not limited to:
 - Assisting with the flow of traffic in the parking lot.
 - Running the check in and out system.
 - Helping make payments.
 - Accompanying children to and from the building and cars.
 - Supervising a group of children in or outside of the building.

Rotation Procedures:

- Staff will monitor child handwashing after restroom use, sneezing, coughing, before and after meals, and other necessary times.
- Supplies that cannot be easily cleaned should not be used.
- Items used during rotations will be cleaned after every use.
- Program staff as well as camp groups will encourage distancing.

Bathroom Usage:

- When sending a child into the restroom, open the door to ensure it is empty and check condition of the bathroom. Children need to be held accountable for making sure the bathroom is clean when they leave it.
- Staff will monitor child handwashing after restroom use.
- Staff will be in correct ratio when taking children to the restroom.

Lunch/Snack Responsibilities:

- If a staff member is helping serve or pass out food, they are required to wear gloves during the whole process.
- Staff will monitor child handwashing before and after meal times.

Cleaning Procedures

- YMCA Staff as well as Janitorial Staff are routinely cleaning, sanitizing, and disinfecting toys, and removing program items that cannot easily be cleaned.
- Every room will have a cleaning list. After every rotation, staff will be expected to sign off on the chore listed for their time in the room.
- All cleanable toys and supplies will be cleaned after every use.
- CDC and YMCA approved cleaning products will be used to clean and sanitize.
