## **AQUATIC'S WHAT TO EXPECT**

Providing a safe environment for every person the Y engages is essential to our mission and viability as an organization. The YMCA of Greater Tulsa is committed to ensuring aquatic safety. Here is what you can expect from each of our facilities.

### **KEY GUIDELINES**

- Maintain a social distance of at least six feet apart both in and out of the water with other patrons.
- All individuals that are not participating in aquatic programming in the water with the exception of lifeguards on stand and outdoor pool decks are expected to wear a face covering, mask, or face shield in the aquatic areas.
- Reservations required to use the aquatics areas for lap swimming, family swim, therapy pools, and the use of resistance pools.
- Upon entering the aquatics area for YMCA Group Swim Lessons, the YMCA staff will:
  - Check every child's temperature with a No Contact Infrared Forehead Thermometer. A temperature over 100 degrees will not be allowed to return for 3 days at this point there must be a proven improvement in temperature.
  - Check the swim lesson roster and give each participant a wristband to enter swim area.
  - Before and after classes YMCA Aquatics staff will clean, disinfect, and sanitize any items utilized in the swim lesson so that it has ample dwell time and is prepared for the next group to utilize.
- Swim Instructors in the water for private as well as group lessons are required to wear a face shield during lessons.
