

LIVESTRONG at the YMCA

A FREE ADULT EXERCISE PROGRAM

LIVESTRONG at the YMCA is a 12-week research-based program that supports adult cancer survivors in regaining their physical, emotional and spiritual strength. This health and wellness exercise program is conducted in a small group environment that includes individualized attention for each participant.

FREE 12-week program includes:

- Free family membership during the program
- Two 90-minute sessions each week
- Small group setting with multiple certified instructors
- Access to all YMCA membership programs, such as group exercise classes, the Wellness Center and indoor pools
