## Building a Better Us For a Better Community

Certainly by now we have all grown tired of reflecting on our personal and professional experiences with COVID 19. Good riddance!

But, to reflect on the YMCA of York and York County's 2020 year without the recognition of COVID 19 as a major influencer and a once in multiple generational experience, would be disingenuous. In fact, we openly acknowledge that the impact of COVID 19 will reach beyond even 2021. However, in the midst of the struggle is always a blessing and, in 2020, the YMCA of York and York County was blessed in numerous ways by many of you which allowed us the privilege to "Continue the Mission!"

- Over 3,300 people received food and assistance with their basic needs from Southern Community Services at The W. Dale Brougher Foundation YMCA
- 500 kiddos kept learning in our EduCare program even when schools were closed
- 1,357 newcomers to the area found the resources they needed to thrive with the YMCA's New American Welcome Center
- 750 children received food from our Food Program in York City
- Individuals struggling financially received \$215,000 in financial assistance so that they could afford a Y membership to improve their health
- Over 100 formerly homeless men found a home in our York Branch's Men's Residence

As you can imagine, the YMCA faced many challenges in 2020 due to COVID 19. And while many areas of Y operations including programs, membership, services, revenue, food and employment security were negatively impacted, our work continued. In fact, our experiences have strengthened our resolve to serve the Y community well into the future.

Each morning, I (Larry) see a quote in my house that my wife strategically placed that says: "Life isn't about how to survive the storm, but how to dance in the rain." In 2020, the YMCA of York and York County, with our entire community's assistance, danced in the rain!

Thank you for your support.

# VOLUNTEERS OF THE YEAR

**Lori Koch –  
Bob Hoffman YMCA**

Lori is a long-time member of the Bob Hoffman Dover YMCA. She's a regular in the Y as part of the Early Morning Crew and can often be seen helping out in the wellness center with cleaning and making sure it is well stocked.

She has even picked up trash along the road leading the branch!

**Scott Bowman (Right) – The W. Dale  
Brougher Foundation  
YMCA**

Scott is a long-time volunteer at our branch in Shrewsbury. He works with many of our youth programs and even got his hands dirty helping out during the branch's construction.

We're especially grateful for the support he gives his son, Travis, who is our Youth, Teen, Sports, & Camp Director!

# VOLUNTEERS OF THE YEAR

## York ARES RACES SKYWARN (YARS) – York YMCA

YARS is a group of 45 Amateur Radio Operators who volunteer their time and talent to make sure special events in our community go off safely without a hitch.

They are a key part of why our marathon is a successful and positive experience for all by keeping an eye out for injured runners and communicating important updates to the race director and emergency responders.

### Joe Hackett – Corporate

Joe is a past Board Chair and current member of the YMCA’s Board of Directors and can often be found working out at the York Branch YMCA.

He has been instrumental in the creation of TechRev York, a STEM hub in downtown York City, which is bridging the gap between high-growth job opportunities and under-represented or historically-disadvantaged populations.
