Doctor Locators by Specialty

General (Search for multiple specialties)

https://apps.ama-assn.org/doctorfinder/recaptcha.do
American Medical Association: DoctorFinder
Searching is free. Also available in a 4-volume print set as The Directory of Physicians in the United States.
American Board of Medical Specialties: Certification Matters – Is Your Doctor Board Certified?
The ABMS database of board-certified physicians can be searched by provider name, specialty, and/or location.

Craig Hospital: Changing or Choosing Your Doctor

Medicare.gov: Physician Compare
A searchable database of physicians and other healthcare providers who accept Medicare.

MedlinePlus: Directories
MedlinePlus provides links to help people locate medical libraries, health professionals, services and facilities.

WebMD: Physician Locator

Disability Evaluating Physicians

International Academy of Independent Medical Evaluators (formerly known as American Academy of Disability Evaluating Physicians)
1061 E. Main St., Suite 300
East Dundee, IL 60118
Phone: 847-786-0162
Toll-free: 800-456-6095
Email: iaime@iaime.org
IAIME produces educational courses and products on such issues as the proper techniques to perform impairment ratings based on the AMA Guides to the Evaluation of Permanent Impairment.

Home Care

American Academy of Home Care Medicine
307 South Eaton St.
Baltimore, MD 21224
Phone: 855-576-8482
Email: info@aahcm.org
Members of the American Academy of Home Care Medicine include home care physicians – physicians who make house calls, care for homebound patients, act as home health agency medical directors, or who refer patients to home care agencies. Specialties include internal medicine, family practice, pediatrics, geriatrics, psychiatry, emergency medicine, and more.

**Neurology**

**American Academy of Neurology: Find a Neurologist**
The AAN database of neurologists can be searched by provider name, location, and/or sub-specialty.

**Neurosurgery**

**American Association of Neurological Surgeons: Find a Board-certified Neurosurgeon**
The AANS database of board certified physicians can be searched by provider name, specialty, and/or location.

**Physiatry (Physical Medicine and Rehabilitation)**

Physiatrists specialize in physical medicine and rehabilitation. Physiatrists can get a subspecialty certification in 7 categories, including spinal cord injury medicine, pain medicine and pediatric rehabilitation medicine. For more information about the spinal cord injury subspecialty see the American Board of Physical Medicine and Rehabilitation’s section on Spinal Cord Injury Medicine at [https://www.abpmr.org/Subspecialties/SCIM](https://www.abpmr.org/Subspecialties/SCIM).

[http://www.aapmr.org/patients/findphysician/Pages/default.aspx](http://www.aapmr.org/patients/findphysician/Pages/default.aspx)

**American Academy of Physical Medicine and Rehabilitation: Find a PM&R Physician**
A database of physical medicine and rehabilitation specialists that can be searched by provider name and/or location.

**Respiratory Physicians**

[www.abim.org](http://www.abim.org)
Pulmonologists specialize in lung and respiratory disorders. Pulmonology is a certification given by the American Board of Internal Medicine. A physician locator service is not offered so please see WebMD’s physician locator and search for pulmonology providers.
Wound Care

http://www.abwmcertified.org/

American Board of Wound Management
1800 M St., NW
Suite 400S
Washington, DC 20036
Phone: 202-457-8408
You can use their locator function to find a health care professional or physician certified by them at:
