Homelessness

211
https://www.211.org
211 operates in each state and housing related calls make up a large percentage of their calls. They can help people look for emergency shelter or try to help people stay in their home.

Department of Veterans Affairs: National Call Center for Homeless Veterans
https://www.va.gov/homeless/nationalcallcenter.asp
Phone: 877-424-3838 (Toll-free)
The National Call Center for Homeless Veterans hotline provides homeless Veterans and Veterans at-risk for homelessness with free, 24/7 access to trained counselors. The hotline is intended to assist homeless Veterans and their families, VA Medical Centers, federal, state and local partners, community agencies, service providers and others in the community.

Funders Together to End Homelessness
http://www.funderstogether.org/
89 South Street, Suite 803
Boston, MA 02111
Phone: 617-245-0314
Email: info@funderstogether.org
Funders Together’s goal is to build a national network of funders who are committed to solving homelessness through leadership, education, and advocacy; strategic collaboration and grantmaking; and effective promotion and replication of best-practice models.

Homeless Law Blog
http://homelesslaw.wordpress.com/
This blog is intended to be a research guide for homeless people trying to learn about their legal rights and liabilities. It presents typical legal questions that arise in homeless life and then provides general information by introducing likely areas of law to investigate, showing search terms, and giving leads to primary law sources.

Homeless Shelter Directory
https://www.homelessshelterdirectory.org/
Provides a clickable map by state and then info on shelters by town.
Homeless Veterans Provider Technical Assistance Center (VET TAC)
Phone: 877-424-3838
VET TAC helps non-profit organizations and faith-based agencies in all states and territories to create programs that assist homeless veterans in the transition from homelessness to independent living.

Homelessness Resource Center
https://www.samhsa.gov/homelessness-housing
E-mail: homelessprograms@samhsa.hhs.gov
The HRC is an interactive community of providers, consumers, policymakers, researchers, and public agencies at federal, state, and local levels sharing state-of-the-art knowledge and promising practices to prevent and end homelessness and to improve the lives of people affected by homelessness who have mental health conditions, substance use issues, and histories of trauma. The HRC is a program of the U.S. Department of Health and Human Services Substance Abuse & Mental Health Services Administration, Center for Mental Health Services

Health Resources and Services Administration (HRSA): Health Center Programs
http://bphc.hrsa.gov/
This site has information HRSA-supported health centers, including Healthcare for the Homeless Programs that reach out to homeless individuals and families and provide primary care and substance abuse services.

HRSA: Find a Health Center
http://findahealthcenter.hrsa.gov/
This site allows people to search by geographic location for HRSA-supported health centers that serve populations with limited access to health care. These include low income populations, the uninsured, those with limited English proficiency, migrant and seasonal farmworkers, individuals and families experiencing homelessness, and those living in public housing.

Medline Plus: Homeless Health Concerns
https://medlineplus.gov/homelesshealthconcerns.html
This page has information on how poor health can contribute to homelessness and vice versa. There are also links to journal articles and directories of assistance providers.
