Phone: 703-317-9086
Toll Free: 800-33-RELIEF
Email: info@christianrelief.org

The mission of Christian Relief Services is to work through partnerships and in collaboration with grassroots charitable groups, churches, and human service agencies, to connect the vast resources of America to help those globally in need in their own local communities and to enable people to help themselves.
CARE’s mission is to serve individuals and families in the poorest communities in the world.

Humanity & Inclusion supports people with disabilities and other vulnerable populations living in conflict and disaster zones and in situations of exclusion and extreme poverty.

GrantWatch is the number one resource for disability grants for programming for adults and children (and their families) who have a disability.

Rehabilitation International is a global network working to empower persons with disabilities and provide sustainable solutions for a more inclusive society.

A non-profit organization founded by CITGO Petroleum in Houston. The foundation funds critical medical care for eligible people in the Americas, including Venezuela.

The mission of the World Institute on Disability (WID) in communities and nations worldwide is to eliminate barriers to full social integration and increase employment,
economic security and health care for persons with disabilities. WID creates innovative programs and tools; conducts research, training, public education and advocacy campaigns; and provides technical assistance.
