National Indigenous Elder Justice Initiative
Center for Rural Health
University of North Dakota School of Medicine & Health Sciences
1301 North Columbia Rd., Mail Stop 9037
Grand Forks, ND 58202-9037
Phone: 855-834-1572
Email: info@nieji.org
The National Indigenous Elder Justice Initiative (NIEJI) was created to address the lack of culturally appropriate information and community education materials on elder abuse, neglect, and exploitation in Indian Country. NIEJI is funded by the Administration for Community Living to provide research, education, and training for the identification and prevention of elder abuse in Indigenous communities. This program serves American Indian, Alaska Native, and Native Hawaiian elders in an effort to improve their quality of life. The project is housed at the University of North Dakota Center for Rural Health.

http://ruralhealth.und.edu/projects/nrcnaa/
National Resource Center on Native American Aging (NRCNAA)
at the University of North Dakota
NRCNAA's mission is to identify and increase awareness of evolving Native elder health and social issues. Its vision is to empower Native people to develop community-based solutions.

http://www.nativedisabilitylaw.org/home
Native American Disability Law Center
The Native American Disability Law Center advocates for the legal rights of Native Americans with disabilities, empowering Native people with disabilities to lead independent lives in their own communities through advocacy and education. The Law Center's service area covers over 25,000 square miles of high desert in the Four Corners region of Arizona, New Mexico, Utah, and Colorado.
