**Joint National Association of Persons with Disability**
JONAPWD is an umbrella organization of persons with disability established in Nigeria to promote the rights and development of Nigerians with disabilities. The organization was established in 1992, to represent the interests of the teeming population of persons with disabilities at the local and international level. JONAPWD is a full-fledged member of the International body called Disabled People’s International (DPI). It serves as a link between Organizations of Persons with Disabilities (OPDs) in Nigeria and the international community. JONAPWD is currently composed of six disabled groups which are the Blind, the physically disabled, the deaf, the intellectually impaired, those with **spinal cord injuries**, and leprosy survivors.

**Society for Action Against Stroke and Diabetes in Nigeria**
Tel.: (+234) 803-3510-775
Email: contact@assiststrokediabetespt.org
The Society for Action Against Stroke and Diabetes in Nigeria was formed by a group of concerned medical and health professionals as well as non-professionals in response to the increasing incidence of complications arising from neglected uncontrolled Diabetes and Hypertension. It provides awareness, screening, and support.
