**Aging and Disability Resource Centers/ No Wrong Door**

Call Eldercare Locator Toll-free 1-800-677-1116 to find the ADRC in your area.

The No Wrong Door (NWD) System initiative is a collaborative effort of the ACL, the Centers for Medicare & Medicaid Services (CMS), and the Veterans Health Administration (VHA). The NWD System initiative builds upon the Aging and Disability Resource Center (ADRC) program and CMS’ Balancing Incentive Program No Wrong Door requirements that support state efforts to streamline access to long-term services and support (LTSS) options for older adults and individuals with disabilities. NWD Systems simplify access to LTSS, and are a key component of LTSS systems reform.

The Aging and Disability Resource Center Program (ADRC) is a collaborative effort of the U.S. Administration for Community Living (including AoA as of April 2012) and the Centers for Medicare & Medicaid Services (CMS). ADRCs serve as single points of entry into the long-term supports and services system for older adults and people with disabilities. Sometimes referred to as a “one-stop shops” or "no wrong door" systems, ADRCs address many of the frustrations consumers and their families experience when trying to find needed information, services, and supports. Through integration or coordination of existing aging and disability service systems, ADRC programs raise visibility about the full range of options that are available, provide objective information, advice, counseling and assistance, empower people to make informed decisions about their long term supports, and help people more easily access public and private long term supports and services programs.. Click on your state to find state and local ADRCs.

The core functions of an ADRC are 1) information, referral and awareness, 2) options counseling, advice and assistance, 3) streamlined eligibility determination for public programs, 4) person-centered transitions, 5) quality assurance and continuous improvement. ADRCs perform these functions by integrating, coordinating, and strengthening different pieces of the
existing long term supports and services systems, including Area Agencies on Aging, Centers for Independent Living, state and local Medicaid offices, and other community-based organizations.

Community-Based Fitness Programs

The Reeve Foundation has several Community Fitness and Wellness facilities that are part of its NeuroRecovery Network (NRN) program. These facilities are accepting individuals with walking difficulties related to any cause (not just SCI) and are hosting activity-based exercise programs designed specifically for individuals with physical disabilities. There is not one in this state but if you would like to learn more about the program, please go to [www.ChristopherReeve.org/NRN](http://www.ChristopherReeve.org/NRN).

**Pennsylvania Association of Community Health Centers**  
1035 Mumma Road, Suite 1  
Wormleysburg, PA 17043  
Phone: 717-761-6443  
Community Health Centers are non-profit organizations providing health care to those with insurance and without. All sites offer primary care and many offer specialty care as well. There is no residency requirement; individuals can receive services at any facility of their choosing, with over 1,200 health centers in 8,000 rural and urban communities across the nation. Sliding-scale fees based on family size, income, and insurance status ensure that anyone who uses a Community Health Center can receive quality care regulated by federal standards. Please call the state association listed above to find a Community Health Center in your local area.
Health Resources and Services Administration (HRSA): Find a Health Center
HRSA Health Centers care for you, even if you have no health insurance – you pay what you can afford based on your income. Health centers provide services that include checkups when you are well, treatment when you are sick, complete care when you are pregnant, and immunizations and checkups for your children. Some health centers also provide mental health, substance abuse, oral health, and/or vision services. Contact the health center organization directly to confirm the availability of specific services and to make an appointment.

Find your **elected officials** to contact them on legislation that is important to you. Each member of Congress maintains at least one office in his or her home state or district. Most have multiple offices throughout the state or district. These offices are designed for direct contact with constituents (that's you!). This is your opportunity to advocate and make your voice heard in Congress without traveling to Washington, DC. Congressional offices are also a great resource for handling problems with federal agencies. You have a constitutionally guaranteed right to petition your government, and home offices provide you an opportunity to use that right.

NeuroRecovery Network (NRN)

Magee Rehabilitation Hospital
Philadelphia, PA
The NRN is a network of rehab programs designed to provide locomotor (treadmill) training to promote functional recovery and improve the health and quality of life for people living with paralysis. The program is for people with spinal cord injuries. The NRN is a program of the Reeve Foundation. For more info on qualifying for the program, please go to www.ChristopherReeve.org/NRN

Peer Support Programs

www.ChristopherReeve.org/Peer
Christopher & Dana Reeve Foundation’s Peer & Family Support Program (PFSP)
636 Morris Turnpike, Suite 3A
The Peer & Family Support Program (PFSP) is the Reeve Foundation’s national peer-to-peer mentoring program. The goal of PFSP is to provide critical emotional support, as well as, local and national information and resources to people living with paralysis, and their families and caregivers. When possible, the program matches people with paralysis with certified peer mentors who are of similar age, location, gender, and level of injury or type of paralyzing condition. The Reeve Foundation’s Quality of Life Grants program gives out grants to peer support groups (amongst other groups) that are associated with a non-profit organization. If you represent a non-profit organization looking for a Quality of Life grant, please see: www.ChristopherReeve.org/qol for more info on qualifying and applying.

https://mageerehab.jeffersonhealth.org/
 Magee Rehabilitation Hospital
 1513 Race St.
  Philadelphia PA 19102
 Magee’s Peer Mentor program offers specially trained volunteers who live with a spinal cord injury, brain injury, stroke or amputation. They are matched with newly diagnosed patients to share tips and resources that have helped them along the way.

A family led organization that provides assistance to parents of children from birth to age 26. They advise parents of children who receive early intervention services.

http://reagansjourney.org/our-mission/
Reagan’s Journey
Mailing Address:
436 4th Ave.
Ford City, PA 16226
Lending Closet Address:
140 Pennyslvania Ave.
Oakmont, PA 15139 (Inside the Blessing Board)
Email: info@reagansjourney.org
Reagan’s Journey was established to address financial, informational, and networking needs for families of children with special needs. In addition, they strive to support and encourage families as they struggle to endure, adjust and cope with the demands of these special and sometimes fatal needs. Reagan’s Journey also offers a lending closet of children’s equipment.

www.thinkfirst.org
ThinkFirst National Injury Prevention Foundation
1801 N. Mill St., Suite F
NapervilleIL60563
Phone: 630-961-1400
800-THINK56
Email: thinkfirst@thinkfirst.org
ThinkFirst offers evidence-based injury prevention programs for students of all ages through their network of healthcare-based chapters. Health educators and people who have experienced brain or spinal cord injuries help students understand the importance of making safe choices related to vehicles, sports, violence and falls. To find chapter information in your area, please go to their website and click on the “Chapter Site” tab.
