How many properties do you currently own?

How many houses have you flipped?

What education/home study courses/bootcamps have you studied?

Do you have an LLC or legal entity that you're doing business under?

By accepting these free tickets, I/we waive and release any and all rights and claims against the club, its officers, directors, members and speakers for any and all damages resulting from participation in club activities and/or from utilization received at any function of the club. I/we understand that I/we should consult with an attorney, cpa, and any other professional before undertaking any investment activities. Basically I'm just going to a comedy show about real estate!
