MasterCard cardholders can benefit from the security and safety offered through Extended Warranty coverage. Extended Warranty Coverage is an insurance program. **Key term:**

You or Yours means MasterCard cardholder. **To get coverage:** You must purchase the new item entirely with your MasterCard card for yourself or to give as a gift. The item must have an original manufacturer's (or U.S. store brand) warranty of 60 months or less. The original purchase does not have to be registered to receive this benefit. **The kind of coverage you receive:** Extended Warranty doubles the original warranty time period and duplicates the coverage of the original manufacturer's (or U.S. store brand) warranty up to a maximum of 12 months on most items you purchase. For products with multiple warranty components, each warranty time period will be duplicated up to a maximum of 12 months. Should you fail to properly register the original warranty as required by manufacturer, Extended Warranty will only double the actual warranty time period that you received from the manufacturer. An example of a product with multiple warranty components includes an appliance with original manufacturers' (or U.S. store brand's) warranties that differ for parts, labor, compressor, and so on. If you purchase a service contract or an optional extended warranty of 12 months or less on your item, Extended Warranty will cover up to an additional 12 months after both the original manufacturer's (or U.S. store brand's) warranty and the purchased service contract or extended warranty coverage period end. If your service contract or extended warranty exceeds 12 months, this coverage does not apply. If you do not have an additional service contract or an optional extended warranty, this Extended Warranty benefit commences the day after your original manufacturer's (or U.S. store brand's) warranty expires. **Coverage limitations:** The maximum Extended Warranty benefit for repair or replacement
