

Remezcla is a rapidly-growing digital media company covering lifestyle, culture and music for Latino millennials in the U.S. What began as a Latino lifestyle blog in 2006 is now a thriving entertainment brand and authority leading the voice and perspective of the undiscovered Latin culture scene. Remezcla is seeking an ambitious and dedicated candidate with a passion for both content and pushing Latin culture forward.

## **JOB DESCRIPTION**

Graphic Design Interns will be responsible for assisting the creative team with the implementation of Remezcla's brand look and feel across our product designs: print materials, merchandise, emails, website, and our social media space. They will also assist on design projects for our in-house marketing agency, including image research, design support, etc. This is an opportunity to gain branding and production experience as well as a real agency/media environment experience.

## **RESPONSIBILITIES**

- Day to day editorial responsibilities: execute, social media design needs, image searching support
- Support Creative Studio in image searching, graphic resources, design support, and research
- Preparing files for print and web
- Coordinating with Graphic Design assistant to order materials needed for specific design projects

## **REQUIREMENTS**

- Must be enrolled at an accredited college or university. Graphic Design Major is a plus
- Strong proficiency and experience in the Adobe Creative Suite Photoshop, Illustrator, InDesign, After Effects.
- Basic Knowledge in Keynote and Powerpoint
- Working Knowledge of optimizing designs for online, print production, motion graphics, photography basics
- Familiarity with MAC computers preferred
- Knowledge of current design trends, web/mobile standards
- Bilingual is a must Fluent in English, Strong Knowledge of Spanish
- Broad knowledge of Latin Culture and Local Latin Scenes
- Must be able to work from offices in Mexico City

## **ABOUT REMEZCLA**

Remezcla is the only Hispanic media company in the U.S. that has cultivated an organic, grassroots appeal with Hispanic millennials. Our unique publisher, entertainment, and agency platform provides digital and on-the-ground solutions for both audiences and advertisers.
