

JOB DESCRIPTION

Remezcla is seeking a soccer writer to assist with our 2018 World Cup coverage. As a culture & lifestyle-driven site, we're not interested in the usual reporting on match scores or recaps – rather we are looking to entertain with innovative storytelling and commentary that is focused on the culture, politics, and human dramas surrounding the beautiful game.

The right candidates will inject their own personality into our editorial - we are looking for entertaining characters with a point of view on the stories most relevant to our young Latino audience.

REQUIREMENTS

- Well-versed in Remezcla's voice & style.
- An entertaining and accessible voice that comes through in writing and the ability to tell sports stories in a way that appeals across the board - these pieces will be for the sports aficionado and neophyte alike.
- Familiarity with Latino sports figures, fans, and culture.
- Knowledge of Spanish (please note: our content is published in English only, but Spanish is often required to get the story).

CONTACT

To apply, please submit a cover letter explaining why you're the best candidate for the job, and samples of your work to jobs@remezcla.com (write "World Cup Contributor" in subject line). Boilerplate cover letters will not be considered. Send something that shows us your personality and voice, and is specific about World Cup stories you'd like to see told.
