THE "SETTINGS" PAGE

The Settings page lets you adjust how the site displays words. You get to it by clicking "Settings" at the top right, or at the bottom if you scroll the page. Try clicking the buttons until the site works the way you want!

Click "Settings" at the top right

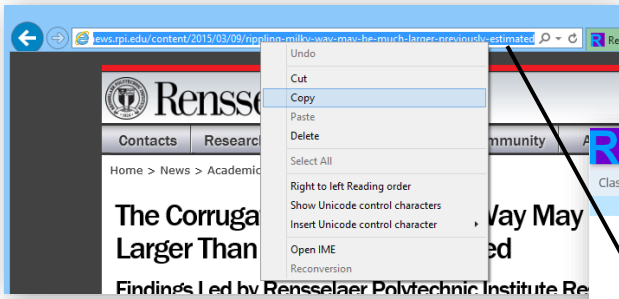

Or on the bottom (after scrolling)

The Settings page has a blue header with 'Settings' on the left and 'Save & close' on the right. It features two 'Sample' boxes: 'Sample Original' and 'Sample Output'. Below these are three sections: 'Display mode', 'Rewordifying level', and 'Highlighting mode', each with a help icon and several buttons. The 'Rewordifying level' section shows 'Level 1 (default)' selected. A 'Save & close' button is at the bottom right.

REWORDIFYING WEB PAGES

Highlight and "copy" a web page URL and "paste" it into the yellow box. (The "Rewordify text" button will change.)

The interface shows a search bar, navigation links, and a yellow text box containing a URL. Below the box are two buttons: 'Rewordify web page & display it' and 'Rewordify web page text only'.

Click this button to see the web page with simpler text

The article text is displayed with yellow highlighting on the reworded words. The title is 'The (with a rippled surface) (large star system/large group of things)—Milky Way May Be Much Larger Than (before that/before now) Estimated'.

(only yellow highlighting is available in web page view)

Click this button and the article text will appear in Rewordify.com.
