**Assignment:**

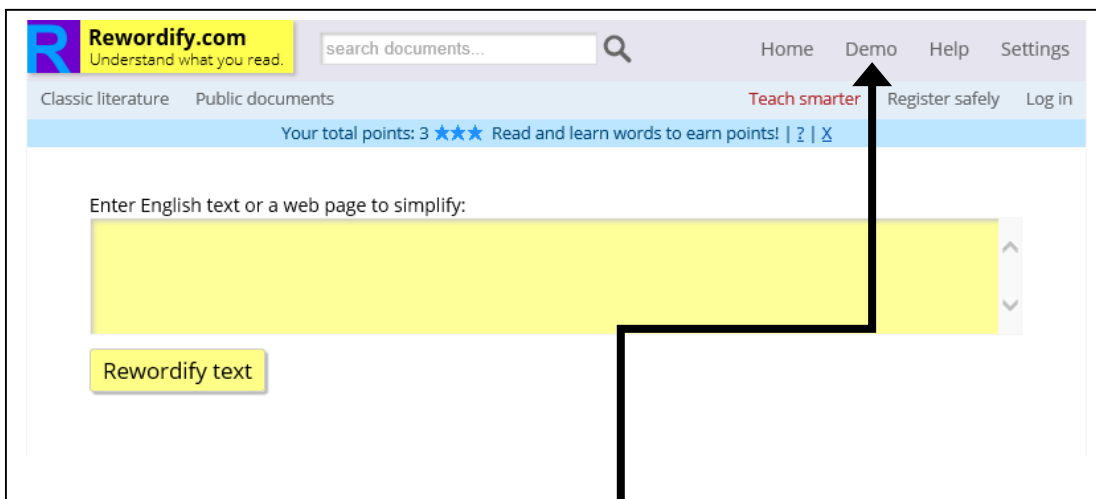

Evaluate Vocabulary-Learning Technology

**Purpose:**

You're going to learn about an online vocabulary-building website and write a review of how helpful you think it would be. Why? Because the more you learn about how you learn, the more efficiently you learn!

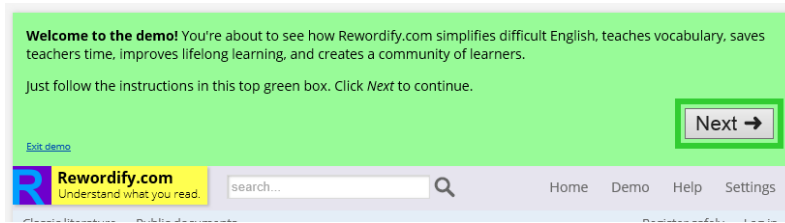

**Instructions:**

1. In your browser, enter *rewordify.com*:

2. When you get to the web site, click the "Demo" button.

3. You'll see a green box appear that says, "Welcome to the demo!"

4. Use the "Next" link in the green boxes to go through the demo, step-by-step. Be sure to follow the instructions in the green boxes. Use the space here to take notes as you go through the demo:

Thinks I like	Things I don't like	Questions/Comments:

5. Go through the entire demo.
6. Now you're going to write a review of Rewordify.com. Follow the instructions on page 3.

Learning Activity: Evaluate Vocabulary-Learning technology  
Assignment: Complete a review

**Instructions:**

Type your review of Rewordify.com. **Use the template on page 4.**

There should be:

- An overall score from 1 to 10
- A list of at least two “Pros” (things you like). Type short phrases separated by commas, like: “works fast,” “easy to read,” etc.
- A list of at least two “Cons” (things you don’t like). Use short phrases, like: “too slow,” “highlighting is distracting,” etc.
- A review body that’s from one to three paragraphs long. Include details on why you like what you like, how you would improve what you don’t like, and any other comments that you think would be useful to other people as they decide whether or not to use the site.

**Rubric:**

**To get an “A”, double-check to be sure you’ve done each of these prior to turning in your paper.** Check each one off after you’ve done it:
