SELLER'S DISCLOSURE STATEMENT

Property Address :

14316 Conway Meadows, East, Unit 302, Chesterfield, MO 63017

Note: If Seller knows or suspects some condition which might lower the value of the property being sold or adversely affect Buyer's decision to buy the property, then Seller needs to disclose it. This statement will assist Buyer in evaluating the property being considered. Real estate brokers and agents involved in the sale do not inspect the property for defects, and they cannot guarantee the accuracy of the information in this form.

TO SELLER: Your truthful disclosure of the condition of your property gives you the best protection against future charges that you violated your legal obligation to Buyer by concealing a material defect(s), lead-based paint, use as a site for methamphetamine production or storage and/or any other disclosure required by law. Your knowledge of the property prior to your ownership may be relevant. In the case of a material defect, for example, if information that you possess indicates some persistent pattern of a problem not completely remedied, such information should be included in this disclosure in order to achieve full and honest disclosure. Your answers or the answers you fail to provide, either way, may have legal consequences, even after the closing of the sale. This questionnaire should help you meet your disclosure obligation, but it may not cover all aspects of your property. If you know of or suspect some condition which would substantially lower the value of the property, impair the health or safety of future occupants, or otherwise affect Buyer's decision to buy your property, then use the space at the end of this form to describe that condition.

TO BUYER: THIS INFORMATION IS A DISCLOSURE ONLY AND IS NOT INTENDED TO BE A PART OF ANY CONTRACT BETWEEN BUYER AND SELLER. If you sign a contract to purchase the property, that contract, and not this disclosure statement, will provide for what is to be included in the sale. So, if you expect certain items, appliances, or equipment included, you must specify them in the contract. Since these disclosures are based on the Seller's knowledge, you cannot be sure that there are, in fact, no problems with the property simply because the Seller is not aware of them. The answers given by the Seller are not warranties of the condition of the property. Thus, you should condition your offer on a professional inspection of the property. You may also wish to obtain a home protection plan/warranty. Due to the variety of insurance, requirements, products, and arrangements Buyer should contact appropriate party to determine insurance coverage needed. Conditions of the property that you can see on a reasonable inspection should either be taken into account in the purchase price or you should make the correction of these conditions by the Seller a requirement of the sale contract.

CONWAY MEADOWS CONDOMINIUM ASSOCIATION POLICY AND PROCEDURE MANUAL

INTRODUCTION

The purpose of this Policy and Procedure Manual is to inform condominium owners about the Conway Meadows Condominium Association policies which are most frequently addressed. This Policy Manual does not constitute a contract or agreement. From time to time there may be changes to these established policies.

CONWAY MEADOWS CONDOMINIUM ASSOCIATION (CMCA) is a way of life which occupants of the 181 units have opted to enjoy. Of this number, 72 units are located in three (3) Midrise buildings and 109 units are Townhomes. The Townhomes are connected in buildings with two (2) to five (5) units each.

The 181 condominium units and the 34 lot owners of CONWAY MEADOWS ESTATES, combined, make up 215 equal shareholders in the CONWAY MEADOWS COMMONS ASSOCIATION.

Conway Meadows Condominiums is a residential community. Business is not permitted to be conducted from a residence in Conway Meadows. No soliciting is allowed, and public sales of any type are forbidden.

CMCA contracts for operational management. The contractor provides a Community Manager who is responsible for day-to-day management and reports directly to the CMCA Board of Managers.

CMCA utilizes independent contractors to perform specified tasks including landscape maintenance; grass mowing; tree and shrub trimming/removal and replacement; leaf and debris removal; snow removal; and repair and maintenance of the underground sprinkler system.

DECLARATION OF CONDOMINIUM AND BY-LAWS

The governing document for the administration and operation of CMCA is the Declaration of Condominium and By-Laws. The original document, filed prior to the closing of the first unit has been superseded completely by the revised and consolidated Declaration of Condominium and By-Laws filed with the St. Louis County Recorder of Deeds on August 5, 1998. Common elements are defined and responsibilities for maintenance have been assigned in accordance with the latest recommended condominium procedures consistent with the provisions of the Missouri Uniform Condominium Act, Chapter 449 RSMO, which was enacted in September of 1983 to revise and up-date the original Missouri Condominium Act, enacted in 1963.

Ownership of a condominium unit in Conway Meadows includes the unit owner's responsibility to obey the By-Laws, Rules, and Policies of CMCA.

CONWAY MEADOWS CONDOMINIUM ASSOCIATION POLICY AND PROCEDURE MANUAL

BOARD OF MANAGERS

The Board of Managers of CMCA is made up of three (3) Midrise and four (4) Townhome unit owners who have been elected and who have pledged to manage the community in the best interest of all the owners by following procedures and regulations as established by the recorded Declaration of Condominium and By-Laws.

The members of the CMCA Board of Managers are volunteers. They receive no compensation for their services. They are elected and serve two-year terms beginning in July. Four members (2 from Midrises and 2 from Townhomes) are elected one year; three members (1 from Midrises and 2 from Townhomes) the next year.

The primary responsibility of the Board of Managers is to interpret and enforce Declaration of Condominium and By-Laws of CMCA.

Other responsibilities of the Board of Managers include:

- Oversee and be fiscally responsible in the use of funds
- Prepare and approve the annual operating budget
- Oversee the management of CMCA operations
- Define the personnel policy and oversee its adherence
- Receive and consider requests, suggestions and opinions of residents
- Attend monthly and other called meetings.

MONTHLY ASSESSMENT FEES

CMCA assessment fees (and special assessment fees when applicable) are due on the 1st day of each month or, without penalty, no later than the 15th of each month. Fees not received by the 15th of month will have a 10% penalty fee levied.

Each unit owner is supplied with a coupon book(s) and 12 envelopes. These are to be mailed to the bank lockbox. Unit owners are also given the option, arranged through the Community Manager, of having monthly fees automatically withdrawn from their bank accounts for transfer to the CMCA bank account.

The Condominium Assessment Fees include:

- Insurance coverage as described in Addendum A;
- Compensation of employees; contract fees for property management and administrative operating expenses; grounds keeping, water, sewer service, common ground sprinkler system, trash removal service; and exterior maintenance of Townhome and Midrise buildings;
- In the Midrise buildings, common area heating and air conditioning, custodial services, common area pest control, elevator maintenance and garage cleaning; and
- Amenities such as the clubhouse, swimming pool and tennis courts.

CONWAY MEADOWS CONDOMINIUM ASSOCIATION
POLICY AND PROCEDURE MANUAL

DELINQUENCY POLICY

A 10% late charge is imposed on monthly installments of the operating and special assessments when received after the 15th day of the month.

The procedure for collection of delinquent assessments and late charges is:

If payment in full, of the monthly fee plus the late charge, is not received within thirty days of the day the monthly installment of annual assessment is payable, the Community Manager will send a letter to the owner advising of the delinquency and requesting payment.

If payment in full of two months installments of monthly fees plus late charges is not received by the 15th day of the second month, a second notice will be sent to the owner.

If payment in full of three months installments, monthly fees plus late charges, is not received by the 15th day of the third month, the obligation to pay the remaining installments for the current year will be accelerated, a lien will be filed against the property, and the account will be forwarded to an attorney for collection.

Note that, in addition to the imposition of a lien, Section 14 of the By-Laws provides that the obligation to pay assessment fees and late charges is a personal obligation of unit owners at the time payment is due and the unit owner is personally responsible for the payment.

MAINTENANCE AND REPAIR OF UNITS

Perhaps the most confusing and, therefore, the least understood portions of the By-Laws of CMCA are those provisions that differentiate among several varieties of property within Conway Meadows. While they may be confusing, it is vital that they be understood because those provisions govern many determinations such as where and to what extent unit owners or CMCA, acting by and through its Board of Managers, may exercise dominion, and whether an individual unit owner or CMCA is responsible for maintenance and repair.

The By-Laws divide the property into three basic categories:

- (a) **Common Elements** are the entire property, however, because of further divisions into Building Limited Common Elements and Unit Limited Common Elements, the Common Elements should be considered to be all portions of the property other than the buildings in which the units are located and the units within those buildings. For these purposes, included (by way of example and not exhaustive) in the Common Elements are all roads, alleys, general walkways, lawns, planting areas, sprinkler system, perimeter fencing and gates, signs, and street lights.

All decisions, including costs of maintenance and repair, with respect to the Common Elements, as so considered, are the responsibility of CMCA acting by and through the

CONWAY MEADOWS CONDOMINIUM ASSOCIATION
POLICY AND PROCEDURE MANUAL

Board of Managers and, absent prior approval of the Board of Managers, individual unit owners should not exercise dominion over any portion of those Common Elements.

In the preparation of the annual budget, the related expenses for the Common Elements are allocated among all unit owners and are reflected in the annual operating assessments.

- (b) **Building Limited Common Elements** are those portions of the Common Elements that are allocated for the exclusive use or benefit of the unit owners of either the Midrise Units collectively or the Townhome Units collectively. The three buildings housing the 72 Midrise Units and the 33 buildings housing the 109 Townhome Units are all Building Limited Common Elements.

In and around the three Midrise Buildings are additional Building Limited Common Elements including (by way of example and not exhaustive) common entrances, interior hallways, garages, garage door opening devices, elevators, storage areas, driveways, walkways other than general walkways, parking areas, structural elements, roofs, exterior surfaces and other common areas not present in and around the Townhome Buildings.

In and around the 33 Townhome Buildings are additional Building Limited Common Elements including (by way of example and not exhaustive) exteriors of garages, structural elements, roofs, exterior surfaces, the walls and railings surrounding courtyards and decks, front walkways, steps and porches leading into individual Townhome Units, and other common areas deemed Building Limited Common Elements of and for the Townhome Units.

All decisions, including costs of maintenance and repair, with respect to the Building Limited Common Elements for all of the 36 buildings housing the Midrise Units and the Townhome Units, and in and around those buildings, are the responsibility of CMCA acting by and through the Board of Managers and, absent prior approval of the Board of Managers, individual unit owners should not exercise dominion over any portion of the Building Limited Common Elements.

In the preparation of the annual budget, the related expenses for the Building Limited Common Elements of and for the Midrise Units are allocated among the owners of the Midrise Units and those of and for the Townhome Units are allocated among the owners of the Townhome Units, and are reflected in the respective annual operating assessments.

- (c) **Unit Limited Common Elements** are defined as portions of the Common Elements allocated for the exclusive use of one or more, but fewer than all, of the units but, basically, Unit Limited Common Elements are the units themselves. Included (by way of example and not exhaustive) are (1) all lath, furring, wallboard, plasterboard, plaster, paneling tiles, wallpaper, paint, finished flooring, and other materials constituting any part of the finished interior surfaces of individual Midrise Units and Townhome Units

CONWAY MEADOWS CONDOMINIUM ASSOCIATION

POLICY AND PROCEDURE MANUAL

(excluding, however, other portions of the walls, floors and ceilings, including structural components, which are considered Building Limited Common Elements), (2) any chute, flue, duct, wire, conduit or any other fixture that is partially within and partially outside of a unit to the extent it serves that unit, (3) subject to the limitation of (1), above, interior partitions and other fixtures and improvements within the boundaries of a unit, and (4) any shutters, awnings, window boxes, doorsteps, attics, basements, man and overhead garage doors, garage door mechanisms and openers, exterior doors and windows (including, but not limited to, basement windows of Townhome Units and related window wells and window well drains), horizontal surfaces of stoops, porches, patios and enclosed yards, and other fixtures designed to serve a single unit that are within or outside of the Unit's boundaries.

Generally, but subject to limitations, decisions, including cost of maintenance and repair, with respect to Unit Limited Common Elements of each Midrise Unit and each Townhome Unit are the responsibility of the owner of the unit in question. To the extent that it becomes necessary or appropriate for the Association, acting by and through the Board of Managers, to undertake the repair and/or maintenance of any Unit Limited Common Elements because an owner has failed or refused to meet his or her responsibilities, then all related costs incurred by the Association shall be charged to and be the responsibility of the owner or owners of the unit or units involved.

Moving away from the technical aspects, generally it may be said that unit owners may exercise dominion over the *interiors* of their units, including painting, paneling, wallpapering and otherwise decorating the interior surfaces of walls, ceilings, floors and doors, and the erection and removal of interior partitions, provided that, interior partitions that are structural must not be removed or modified without the prior written approval of the Board of Managers as doing so could affect the structural integrity of the building, and provided further that unit owners must not materially change common walls between units as such walls are fire barriers and their integrity must be maintained. But the dominion of unit owners ends when they leave their units. Unit owners should not place anything (signs, furniture, flower pots, other decorative items, etc.) in the initial Common Elements without first obtaining approval of the Board of Managers.

Even Townhome courtyards and the garages of both the Midrise and Townhome Units are subject to certain regulations. Unit owners should maintain areas appurtenant to their units in a clean and proper condition. No objects or structures other than movable furniture should be placed in or on Townhome courtyards or porches without the prior written approval of the Board of Managers.

From time to time, there may arise circumstances in which both CMCA and a unit owner have repair responsibility when, for example, a storm causes a roof to leak and the leak damages interior improvements. Except in very unusual circumstances, CMCA is responsible for the repair of the roof and the unit owner is responsible for interior repairs.

Unit owners are responsible for the supervision of contractors they engage and care should be taken so that the work of unit owner contractors does not inconvenience other unit owners.

CONWAY MEADOWS CONDOMINIUM ASSOCIATION POLICY AND PROCEDURE MANUAL

Contractors engaged by unit owners should confine their work to the interiors of the units and to the courtyards of Townhome Units, and should not utilize the common areas for such purposes. Contractors doing work that requires the disposal of items, such as tile, carpet and other large items must make arrangements for the disposal of such materials and may not utilize the trash disposal facilities of the CMCA. Prior written approval of the Board of Managers is required for the placement of dumpster units in a street or other common area.

Unit owners must not engage contractors of any sort with the expectation that all or any portion of the cost will be borne or reimbursed by CMCA.

Unit owners need to be cognizant of the fact that the appearances of their window dressings, courtyards, decks, balconies, seasonal decorations, have an effect on the appearance of Conway Meadows generally. It is preferred that common areas not be decorated by unit owners. There should be no plantings in common areas unless specifically authorized by the Board of Managers. Similarly, as the care and maintenance of the common areas is a CMCA responsibility, unit owners must not unilaterally make or cause to be made exterior landscaping changes, manipulate the sprinkler system, etc. Written requests for such changes will be considered by the Board of Managers and, if approved, will be scheduled according to priorities.

METHOD OF REQUEST FOR BOARD CONSIDERATION

Unit owners must not hire, employ or contract for inspection, repairs or improvements to any part of their unit, courtyard or common ground with the expectation of being reimbursed by CMCA. All contracts which are to be paid from CMCA funds must have approval of the Board of Managers prior to commencement of any work.

No matter will be considered for action until a letter of request is presented to the Board of Managers in adequate time to be placed on the agenda of the next regular meeting.

In most instances matters brought to the attention of the Board of Managers in this manner will be considered promptly.

Although the Community Manager and the CMCA Maintenance Department observe many things in the community, it is helpful if unit owners report "common area" problems. The request will be placed on a work order.

Unit owners should not seek out the maintenance staff or landscaping contractor or workers for immediate service. These workers receive their scheduled tasks from the Community Manager only.

UNIT OWNER VACATION OR EXTENDED ABSENCE

A Vacation/Extended Absence Form should be completed by unit owners prior to their leaving for vacation or for other extended periods of time and mailed, faxed or delivered to the Community Manager.

CONWAY MEADOWS CONDOMINIUM ASSOCIATION
POLICY AND PROCEDURE MANUAL

Of special importance is the person(s) to be notified in case of any local emergency. Newspaper deliveries should be cancelled unless arrangements have been made for someone to collect any newspapers left at the residence.

FIRE CODE

The fire code bans charcoal burners and other open-flame cooking devices (LP gas burners having an LP-gas container with a water capacity greater than 2.5 pounds, nominal 1 pound LP-gas container) which must not be located on balconies, combustible decks or within 10 feet of combustible construction.

Streets, alleys and cul-de-sacs within Conway Meadows must be clear at all times to allow access for fire trucks and emergency vehicles.

PET POLICY

No animals, reptiles, birds, rabbits, livestock, fowl or poultry of any kind shall be kept raised or bred in any portion of the property, except that one (1) dog, or one (1) cat, or two (2) birds or one (1) other household animal, may be kept in a unit as a pet. There shall be no structure for such animal outside the unit at any time. Fish maintained in a household aquarium shall not be deemed to be "animals" as defined herein. Any pet creating a nuisance or unreasonable disturbance or noise shall be permanently removed by the owners upon written notice by the Board of Managers. No animals shall be permitted to run at large in any area of the condominium except within the unit of the owner. The Board of Managers may from time to time establish rules and regulations pertaining to the keeping of animals which are not inconsistent with the provisions of the Declaration of Condominium and By-Laws, and such rules and regulations shall be binding on the unit owners and occupants.

According to the St. Louis County Rabies Law, dogs must be kept on a leash not over six feet long, or behind a tight fence (e.g., within the area of a courtyard). Dogs may not be leashed or staked out in any common area.

Pets should be walked outside the perimeter fence or if walked within the fence then only on streets and alleys, and not on lawns or sidewalks inside the perimeter fence. It is the responsibility of the pet owners or walkers to remove pet waste immediately from Conway Meadows common areas, including the walk area outside the perimeter fence.

The observer of a violation must put the observation in writing addressed to the Board of Managers. The Community Manager shall have authority to pursue legal remedies for violations as allowed and provided for in the St. Louis County Animal Control Code.

Unit owners in violation of the CMCA pet limit, who have two or more pets, should comply with the limits as soon as possible. Upon the removal or death of a pet, replacement of the pet which would violate the policy will not be permitted.

CONWAY MEADOWS CONDOMINIUM ASSOCIATION POLICY AND PROCEDURE MANUAL

No animals are allowed in the pool or tennis court areas under any circumstances.

Requirements and restrictions

- Pet owners are responsible for removing their pet's wastes from the common areas. Pet wastes and odors shall not be permitted to accumulate in units so as to create unattractive or unsanitary conditions.
- No pet shall be permitted to bark, howl, whine, or make other noises for such a time as it disturbs neighbors' rest or enjoyment of their home.
- No pet shall be left unattended on a balcony or courtyard for extended periods of time.
- Except when within its Owner's unit, a pet must be carried or on a leash that enables close control of the pet and attended by a responsible person.
- No animal may be leashed or tied to any object in the common areas.
- Pet owners are fully responsible for any property damage, personal injuries, or disturbances their pet may cause or inflict.
- Pets may not be kept or maintained for commercial or breeding purposes.
- Every female dog or cat, while in heat, shall be kept confined inside the unit in such a manner that she will not be in contact with other dogs or nor create a nuisance by attracting other dogs or cats.
- All pets having access to the common areas must have a St. Louis County pet license and inoculated as required by law.
- Owners who lease their property shall obtain from the lessee a written agreement (whether on the lease from itself or in a separate document) to abide by these rules and shall submit a copy of that agreement to the Community Manager.

Nuisances

The following behavior shall be considered nuisances and the grounds for filing a complaint:

- Pets allowed to run at large.
- Pets allowed to damage, soil, defecate on or defile the common areas or private property.
- Unsanitary, dangerous or offensive conditions created by a pet either inside a unit or anywhere in the common areas.
- Ordering or allowing a pet to molest, attack, or otherwise interfere with the freedom of movement of people on the common areas, and including chasing vehicles, attacking other pets, or other kinds of disturbance.
- Pets making or causing noise of sufficient volume to interfere with other residents' rest and peaceful enjoyment of their property.

INSTALLATION OF SATELLITE DISHES

The owner(s) of a Conway Meadows Townhome unit may install and maintain a satellite dish totally within the courtyard or deck, and not attached to the roof of the unit, and the owner(s) of a Conway Meadows Midrise unit may install and maintain a satellite dish totally within the porch of the unit, if any such installation and maintenance conforms to all of the provisions of

CONWAY MEADOWS CONDOMINIUM ASSOCIATION
POLICY AND PROCEDURE MANUAL

this policy and to all the applicable regulations now or hereafter promulgated by the Federal Communications Commission and other governmental authority with appropriate jurisdiction.

All satellite dishes installed within units of Conway Meadows shall be as small as reasonably available, shall be not larger than one meter (39.37 inches) in diameter, shall be of a color that is the same as or blends with the color(s) of surrounding materials, and, to the extent reasonable, shall be so located and/or shielded so as to limit their being visible from outside the Townhome courtyard or deck or Midrise porch involved. The installation and maintenance of all satellite dishes within Conway Meadows units shall be accomplished in a manner that is both safe and consistent with all applicable codes. All contractors that install and/or maintain satellite dishes within Conway Meadows must be licensed if required by a governmental authority having jurisdiction and shall carry insurance with appropriate limits. Any such installation and maintenance must not encroach on any portion of Conway Meadows that is not within the exclusive use or control of the installing unit owner, and installing unit owners agree that any portion of their satellite dish apparatus, including wiring, that, without the Board of Managers' prior authorization, extends into, on, over or through any portion of common elements of Conway Meadows may be removed at the expense of those unit owners.

It is recognized that roofs of Conway Meadows Midrise buildings are areas over which Midrise unit owners do not have exclusive use or control and that, by reason of location, satellite dishes in the porches of some Midrise units may not produce the desired result. In such situations, the Board of Managers will, upon application, grant authorization, subject to reasonable conditions, for unit owner installation of a satellite dish on the roof of the building in which the unit is located, with related wiring to follow the path specified by the Board of Managers. If, at some future time, the Board of Managers should authorize the installation of a central satellite dish or antenna on the roof of a Midrise building, the Board may require use of that central service in lieu of unit owners' installing and/or maintaining their own satellite dishes.

WATER USAGE

Even though water seems to be free, the Association pays for every gallon that is used. In addition, sewer fees are directly computed on water volume used.

Conservation measures should be practiced to mitigate the effects of rising water costs. Unit owners are asked to conserve when they use water, such as watering plants, washing cars, etc.

EMPLOYEES OF THE ASSOCIATION

It is necessary that CMCA employees perform their assigned tasks in a timely manner. All requests for maintenance must be sent to the Community Manager in writing. CMCA employees should not be asked to perform tasks that are the responsibility of unit owners.

CMCA employees are permitted to perform maintenance services for residents outside working hours, if they so choose and at the unit owner's expense.

CONWAY MEADOWS CONDOMINIUM ASSOCIATION POLICY AND PROCEDURE MANUAL

VEHICLE SPEED LIMIT AND PARKING

Unit owners are expected to observe the posted speed limit. Unit owners should also take steps to advise guests to observe the speed limit. Even more caution should be exercised in the alleys.

These streets and alleys are not thoroughfares and, when the speed limit is not observed, pedestrians, other automobiles, as well as residents leaving their garages are at risk.

The By-Laws ban overnight parking of trucks, campers, motor homes, trailers, boats, recreational vehicles and commercial vehicles or equipment of any type except in garages or in a special parking area so designated, in writing, by the Board of Managers.

Automobiles should be parked with their right wheels against the curb and, to prevent damage to lawn sprinklers, not on the grass.

SIGNS

No sign of any kind shall be displayed on common area ground. Realtor signs must be displayed in windows only. However, if a unit listed with a realtor is scheduled for an "open house", the realtor may place one sign outside the unit on common ground in front of the Townhome unit or Midrise building, but only for the period of time of the "open house".

CONDOMINIUM RESIDENTS DIRECTORY

At least annually, the Board of Managers publishes a Directory of unit owners in the Conway Meadows Condominiums listing the current resident name, address, and telephone number.

The Directory is to be used only by the unit owners as a convenience in social contact or Condominium matters. It shall not be used for commercial purposes or for solicitations.

The Association, the Board of Managers, the CMCA employees and its agents shall have no responsibility or liability for the accuracy or misuse of the Directory.

CONWAY MEADOWS CONDOMINIUM ASSOCIATION
POLICY AND PROCEDURE MANUAL

MIDRISE UNIT OWNER POLICIES

Garage Parking

All cars should be parked between the yellow lines to allow unit owners enough space to open car doors or to remove items from their cars.

The garages are not intended for storage. If personal items need to be stored, the unit storage locker is provided for that purpose.

The aisles and the wash bay area are not designated as parking space.

Grocery carts, provided for the use of all unit owners within the building, are for groceries and small items only and should be returned to the garage as soon as possible.

Garage Doors

Midrise garage doors are equipped with sensitive photo-electric cells to prevent the doors from closing if an automobile or person is in the door opening. If the door is closing and the light beam is broken, the door will immediately stop, reverse, and go to the full open position. If the photo-electric cells are knocked out of line or damaged, the doors will not close; therefore, caution should be taken when driving through the openings. To lower the door, depress the button on the control unit.

Garage doors should be closed after entering the garage and after exiting. Caution should be taken at these times to ensure that another vehicle is not also entering or exiting.

Automobiles must not be left running even if the garage doors are open. Carbon monoxide is deadly and can filter into any space.

Lobbies

Both the inner and the outer lobby doors of the Midrise buildings should be closed at all times. The inner lobby door should remain locked. The doors should not be propped open for any reason, other than to pick up mail and newspapers.

Elevator Use and Care

Moving van and other large-item deliveries are to be made through the garage only. The unit owner should contact the Community Manager for moving procedures in and out of units. If large articles are to be moved via an elevator, the maintenance department should be notified at least one week day in advance so that pads can be installed to protect the elevator walls from damage. Carpet runners may also be necessary to protect the common corridor carpeting.

Boxes and debris should never be left near the elevator. This is a violation of the Fire Code. These discards should be placed in the outside dumpster.

CONWAY MEADOWS CONDOMINIUM ASSOCIATION POLICY AND PROCEDURE MANUAL

Balconies

For safety of the common grounds surrounding the buildings, flower pots should not be placed on the outside railing of the balcony.

Curtains, awnings, window installation or any other changes to the balcony must be approved by the CMCA Board of Managers.

Balconies are not be used for laundry purposes or for outdoor cooking.

Trash Rooms

The trash chutes should be used for disposable cartons, books or boxes. If the boxes cannot be broken down by the unit owner to fit through the chute, these should be deposited directly into the dumpster. The trash rooms are to be free of litter.

It is the unit owner's responsibility to contact the waste hauling contractor directly for the disposal of large or special items. These should never be left in the trash room, the garage or near the dumpster.

Contract Work in Units

Unit owners should contact the Community Manager, prior to the beginning of any construction, with the contractors name and the dates during which work will be done. The Community Manager can notify the staff and ensure that measures are taken to protect common areas.

If the contractor's work requires the disposal of items, such as tile, carpet and other large items, these must be removed by the contractor. These items must not be deposited in the dumpsters, which are provided for unit owner use only. If the work requires the use of a contractor's dumpster, the Community Manager must approve this prior to the work beginning and for a specified period of time.

The contractor should be requested to provide a floor covering mat outside the unit in the common hallway to prevent tracking debris in public areas or damaging the carpeting. If the contractor does not have mats available, the unit owner should contact the Community Manager in advance of the work. Any mats used in the common corridor should also be secured to prevent anyone tripping on the edges. The unit owner is responsible for any damage to the common area.

Smoking

Smoking is not permitted in the building entrance walkway or the enclosed common areas including hallways, lobbies, stairways, elevators or garages.

CONWAY MEADOWS CONDOMINIUM ASSOCIATION POLICY AND PROCEDURE MANUAL

Common Area Activity

Outdoor cooking is only permitted in areas at least ten feet from the building. Furniture and equipment shall not be left on the grounds and should be stored by the unit owner.

Fireplace Wood

Fireplace wood must not be stored in locker rooms, in the garage or against a building wall.

10 PM to 8 AM Curfew

Common walls are not soundproof. Therefore unit owners should be considerate of neighbors by taking into account any activity which has an elevated level of sound, such as, sound systems, laundry, vacuum, or use the dishwasher.

Storage Areas

Garage and upper level storage areas are intended to be used solely as additional storage for unit owners, unless otherwise authorized by the Board of Managers.

Signs and Announcements

Only posters, signs or announcements authorized by the Board of Managers or the Community Manager may be posted within the common areas of the buildings.

**CONWAY MEADOWS CONDOMINIUM ASSOCIATION
POLICY AND PROCEDURE MANUAL**

TOWNHOME UNIT OWNER POLICIES

Basement Repair

The Association's responsibility for basement repair and maintenance in the Townhomes shall be as follows:

Because a completely dry basement cannot be guaranteed, the following rules shall apply in regard to such basements:

1. The structural integrity of any basement shall be the responsibility of the Association and repairs to insure such integrity shall be made from Association funds.
2. All additions to or remodeling of any basement shall be at the owner's own risk. The Association shall in no way be responsible for any damage resulting from water, for rain seepage or leakage, or for damage from insects, rodents or other animals.
3. Water seepage caused by hydrostatic pressure is a natural occurrence and shall not be considered an Association responsibility. Drainage problems should be corrected to alleviate the problem.
4. Since shrinkage cracks are not unusual in concrete foundation walls, only those cracks exceeding 1/8" will be repaired by the Association. These repairs will be made only after access is made available to them by the owner, or resident, if a wall of any kind has been installed over the original concrete wall. A wall shall be considered as anything blocking easy, normal access to the area needing repair. All expenses for removing such walls, and their reinstallation shall be borne exclusively by the owner or resident.
5. If a Townhome has a finished basement and it is found to have termites, the expense of treating the finished basement will be the unit owner's responsibility.

Fireplace Wood

Fireplace wood should be stored on the exterior of the unit at least one (1) foot from the foundation of the condominium or the garage, preferably on cement blocks or bricks.

Fireplace wood must not be stored abutting the foundation wall of either the unit or garage, inside the basement or inside the garage.

Termites

The courtyards of the Townhome units shall have no landscaping, mulch, or dirt within 4 inches of any siding. CMCA will not be responsible for damage caused by termites in Townhome units or Townhome garages where the landscaping, mulch, dirt or firewood exceeds the required limits.

CONWAY MEADOWS CONDOMINIUM ASSOCIATION POLICY AND PROCEDURE MANUAL

If a Townhome has been treated for termites, the ground around this unit should not be disturbed to allow the termite treatment to become effective.

Alteration, Construction or Removal in Common Area

Nothing shall be altered, constructed in or removed from the common areas and facilities except on the written consent of the CMCA Board of Managers.

The trees and shrubs on the common ground adjacent to Townhome units is common area not unit specific.

Parking

Each Townhome has a two-car garage. Overnight, cars and trucks are to be parked in those garages, and not on the streets, alleys or on the parking pads.

Emergency vehicles need access to streets at all times, day and night. Parking on the street restricts traffic flow and inconveniences the guests or service vehicles of other Townhome owners. Street parking should be limited to guest parking. These cars should be parked with their right wheels to the curb, and not on the lawns where sprinkler heads can be damaged.

Street parking is not permitted in cul-de-sacs. The cul-de-sacs must be kept clear at all times for emergency vehicles and mail delivery. The streets leading into the cul-de-sacs are narrow and cars may be parked on only one side of those streets. Service vehicles and contractor's trucks should utilize the parking pads. The parking pads are not assigned to any unit and are intended for guest use and temporary parking.

It is the unit owner's responsibility to ensure that guest or service vehicles comply with these provisions.

Alley Parking

Parking in the alley is not permitted. The alleys are the arteries for unobstructed mail delivery, trash pickup, maintenance vehicles, emergency vehicles, and in consideration of other unit owners' access to garages.

Waste Hauling and Recycling

Trash and recycling containers should be outside the garage/gate area by 8 a.m. on the day designated for pickup. These should be removed from alleys as soon as possible after a collection has been made.

The unit owner must contact the waste hauler directly for information and instructions regarding pickup of any large or special items.

CONWAY MEADOWS CONDOMINIUM ASSOCIATION POLICY AND PROCEDURE MANUAL

10 PM to 8 AM Curfew

Common walls are not soundproof. Therefore unit owners should be considerate of neighbors by taking into account any activity which has an elevated level of sound, such as, sound systems, laundry, vacuum, or use the dishwasher.

Mailboxes

According to Postal Regulations, only mail officially delivered by, or to be picked up by, the US Postal Service may be placed inside mailboxes.

Any communications for unit owners by the Association or other unit owners must be attached securely outside the mailbox.

It is the responsibility of the unit owner to monitor that no private car or service vehicle obstructs mailboxes.

CONWAY MEADOWS CONDOMINIUM ASSOCIATION
POLICY AND PROCEDURE MANUAL

CONWAY MEADOWS COMMONS
(Conway Meadows Condominiums and Estates)

All owners of CMCA units and owners of homes in Conway Meadows Estates pay shares of the of the Commons expenses, which includes the tennis courts, swimming pool, the clubhouse and the retention ponds bordering Conway Road. The CMCA fee includes the Commons fee.

Conway Meadows Condominium unit owners who are delinquent in paying assessments or late charges may be declined use of the tennis courts, swimming pool and clubhouse.

(a) By November 15th of each year the Board shall estimate the total amount necessary to pay wages and for materials, insurance utilities, taxes, assessments for Conway Meadows Commons, services and supplies which it anticipates will be required during the ensuing calendar year together with a reasonable amount which it considers necessary as a reserve for future needs, for contingencies and for replacements, including expenses relating to Building Limited Common Elements. By December 15th of each year, the Board shall notify the Owners of each Unit in writing as to the amount of such estimate with the particulars therein itemized and shall call a meeting of the Unit Owners at which the proposed budget shall be presented. Said meeting of the Unit Owners shall be held not less than fourteen (14) days nor more than thirty (30) days after the notice of said meeting is given. The proposed budget shall become effective unless disapproved by a vote at said meeting of at least a majority of all Unit Owners in the Condominium regardless of whether a quorum is present; however, in the event the proposed budget is disapproved or the Board fails for any reason to determine the budget for the succeeding year, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the then current year shall continue for the succeeding year.

(b) The estimated cash requirements shall be assessed against the Owners of the Units pursuant to Section 1.11(b). on or before January 1 of the ensuing year and the first of each month thereafter each Owner shall be obligated to pay to the Board or as the Board may direct, one-twelfth (1/12) of the annual assessment established pursuant to this Section; provided, however, the Board may by resolution make such periodic assessment payments less frequently than monthly but in no event less frequently than one each calendar quarter.

14.2 Exempt Property: [DELETED]

14.3 Accounting and Shortage: By May 15 of each year the Board shall supply to all Owners an itemized accounting of all income and expenses of the preceding calendar year. Any balance remaining as shown in such accounting less reserves for future needs and contingencies, shall be credited according to each Owner's Share, as provided in Section 1.11(b), to the next monthly installments due under the current year's estimates until exhausted. One-sixth (1/6) of any net shortages shall be added, according to each Unit Owner's Share, as provided in Section 1.11(b), to the assessment and installment due in each of the next succeeding months after rendering the accounting. The annual accounting shall be supplied to all first mortgage holders within ninety (90) days of completion if requested in writing by such first mortgagee.

In the event it is determined by the Board during any year that a prior year's calculation was erroneous or that additional net shortages existed but were unreported, then such balances or net shortages shall be treated as a balance or net shortage in the year discovered and shall be added or credited to assessments the following year in the same manner as set forth herein.

14.4 Reserves and Contingencies: The Board shall build up and maintain a reasonable reserve for contingencies and replacements. Extraordinary expenditures and replacements which are not originally included in the annual estimate and which may become necessary during the year, shall be charged first against such reserve. Such further assessment shall become effective commencing with the regular monthly assessment next following the receipt of such notice of further assessment. All Unit Owners shall be obligated to pay the adjusted monthly amount. At the time each Unit is first purchased from the Developer, the purchasing Unit Owner shall pay to said managing agent, or as otherwise directed by the Board, an amount equal to the first two full monthly assessments for such Unit owner, which amount shall be used and applied as an operating reserve for Common Expenses. The amounts so paid by the Unit Owners for operating reserves, together with amounts paid from time to time by Unit Owners for monthly assessments and supplemental assessments, shall be held and used and applied from time to time for the payment of Common Expenses as and when needed. All such amounts from time to time on hand and unexpended shall be deemed to be part of the Common Elements and owned by the Unit Owners in accordance with their respective Share of ownership of the Common Elements.

14.5 Delay: The failure or delay of the Board to prepare or serve the annual or adjusted estimate on the Unit Owners shall not constitute a waiver or release in any manner of such Owner's obligation to pay the assessments and/or reserves, as herein provided, whenever the same shall be determined. In the absence of any annual estimate, the unit owners shall continue to pay the monthly assessments at the then existing monthly rate established for the previous period until the monthly payment is adjusted and ten (10) days notice thereof mailed to the Unit Owners.

14.6 Inspection of Books: The Board shall keep full and correct books of account and the same shall be open for inspection by any Unit Owner or any representative of a Unit Owner or any mortgagee of record thereof at such reasonable time or times during normal business hours as may be requested by the Unit Owners, their representatives or mortgagees of record.

14.9 Personal Liability of Unit Owners: The Owner of a Unit at the time a Common Expense assessment or portion thereof is due and payable is personally liable for the assessment. Personal liability for the assessment shall not pass to a successor in title to the Unit unless he agrees to assume the obligation.

14.10 No Waiver of Liability: The liability for assessments may not be avoided by waiver of the use or enjoyment of any Common Element, services or recreation facilities, or by abandonment of the Unit against which the assessment was made, or by reliance upon assertion of any claim against the Board, Developer, or another Unit Owner.

14.11 Interest and Late Fees: Assessments and installments thereof not paid when due shall bear interest from the due date at a rate determined by the Board not to exceed the maximum legal rate of interest until paid. In such amount as the Board deems reasonable, the Board shall charge a late fee against any Unit owner who is delinquent in paying his monthly installment, and may adopt and enforce such other reasonable late fees as appropriate to recover processing and administrative costs.

14.12 Priority of Mortgages: Nothing contained herein shall abridge or limit the rights or responsibilities of mortgagees of Units as set forth in Sections 448.1-101 to 448.4-120, Mo.Rev.Stat.

Fees, charges, late charges, fines and interest charged pursuant to Section 448.3-102(11), Mo.Rev.Stat., and Section 14.1.1 of the Declaration are enforceable as assessments under this Section. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due.

(b) A lien under this Section is prior to all other liens and encumbrances on a Unit except: (1) liens and encumbrances recorded before the recordation of the Declaration; (2) a first security interest on the Unit recorded before the date on which the assessment sought to be enforced became delinquent; and (3) liens for real estate taxes and other governmental assessments or charges against the Unit. This Subsection does not affect the priority of mechanics' or materialmen's liens, or the priority of a lien for other assessments made by the Board. A lien under this Section is not subject to the provision of Section 513.475, Mo.Rev.Stat.

(c) Recording of this Amendment constitutes record notice and perfection of the lien. Further recording of a claim of lien for assessment under this Section is not required.

(d) A lien for unpaid assessments is extinguished unless proceedings to enforce the lien are instituted within three years after the full amount of the assessment becomes due; provided, that if an Owner of a Unit subject to a lien under this Section files a petition for relief

under the United States Bankruptcy Code, the period of time for instituting proceedings to enforce the Association's lien shall be tolled until thirty days after the automatic stay of proceedings under Section 362 of the Bankruptcy Code is lifted.

(e) This Section does not prohibit an action to recover sums for which Subsection (a) of this Section creates a lien or prohibit the Board from taking a deed in lieu of foreclosure.

(f) A judgment or decree in any action brought under this Section shall include costs and reasonable attorney's for the prevailing party.

(g) A judgment or decree in an action brought under this Section is enforceable by execution under Chapter 513, Mo.Rev.Stat.

(h) The Board's lien may be foreclosed in like manner as a mortgage on real estate or a power of sale under Chapter 443, Mo.Rev.Stat.

(i) In the case of foreclosure under Chapter 443, Mo.Rev.Stat. the Board shall give reasonable notice of its action to each lien holder of a Unit whose interest would be affected..

(j) Any payments received by the Board in the discharge of a Unit Owner's obligation may be applied to the oldest balance due.

1. In order to protect the common elements during moves into, within, or out of the Mid-Rise Buildings at Conway Meadows, there is a required damage deposit of \$400 that is to be paid and sent to the Management Office prior to any move.
2. The Association's representative will inspect the premises prior to and after every move to report any damages that may have occurred during the move. The full damage deposit will be refunded if no such damage exists. However, deductions will be made from the damage deposit to cover any necessary repairs caused by the movers/resident. If damages are in excess of the funds being held, the owner will be billed the difference in the cost and the owner hereby agrees to be liable for payment of such excess charges.
3. In addition to the damage deposit explained above, there is a \$100 non-refundable Administrative Fee required to be paid by the Mid-Rise owners and sent to the Management prior to any move into the community.
4. The owner must notify the Community Manager at least seven (7) days in advance to schedule the use of the elevator for any moves. Because there is only one elevator per building, it cannot be locked off for exclusive use during the move. Elevators must be padded for protection.
5. Movers are required to use carpet runners (shrink wrap) in the hallways to protect carpeting (not supplied by Conway Meadows).

6. Movers are required to use care in the common areas so as not to damage any furniture, carpet, walls, etc. Movers may not set drinks on any of the common area furniture. No smoking is permitted in the buildings.
7. The trash chutes are provided for the disposal of everyday trash and not for moving debris and boxes. Likewise, the trash can near the elevator in the garage to the building is not for moving debris and boxes. It is the responsibility of the unit occupant to remove the moving debris and boxes from the premises directly to the dumpster.
8. Moves may not take place through the lobby of the building. All move-ins or move-outs must be accomplished through the basement garage of the building. The overhead garage door may not be propped open or disconnected during move in or move out. Only items that are too large to fit in the elevator may be brought in through the front lobby door and padding must be used to prevent any damage.
9. Moving vans and trucks cannot be parked to limit entrance to driveway or parking spaces.
10. Moving in or out of a unit may only take place between the hours of 7:00 a.m. to 7:00 p.m.

CONSTRUCTION PROCEDURES

GIVEN THAT Article 13 of the Declaration provides that the Board of Managers shall have the power to adopt, amend and enforce reasonable rules and regulations in accordance with applicable laws, the Declaration and the Bylaws; and

GIVEN THAT the Board deems it necessary and desirable and in the interest of the Association and its members to establish guidelines and procedures for all construction performed on the property;

NOW, THEREFORE, the Board resolves that the following guidelines and procedures be, and hereby are, adopted.

The following rules are to be followed when construction work is to be performed in a townhome or mid-rise unit:

1. Work may begin at 7 a.m. Noisy work such as sawing, hammering, or concrete drilling may not begin before 8 a.m. All work will end with clean up and the contractor off the property by 6 p.m. daily, unless the activity becomes a nuisance to other owners. Work may take place Monday through Saturday. No work is permitted to take place on Sunday.
2. No work will be permitted on the common elements without the express permission of the Board of Managers.
3. Upon completion of any work, the common elements must be returned to their original condition. Any cost associated is the responsibility of the owner.
4. If any non-compliance with any part of this policy resolution shall occur, the Board will provide notice to the owner, and he may be fined.
5. The dumpsters at the mid-rise buildings shall not be used to dispose of construction debris.
6. Unit owners are responsible for obtaining all necessary permits.

The following rules are to be followed when construction work is to be performed in a mid-rise unit:

1. Contractors and workmen are asked to enter and exit through the garage. All materials and equipment will be taken up and down in the elevator. With approval, exceptions may be made for unusually large items to be delivered through the front door of the building.
2. Contractors are not permitted to use the building carts.
3. No smoking is permitted in common areas. No loud music or profanity is permitted.
4. Contractors are required to use carpet runners (shrink wrap) in the hallways to protect carpeting (not supplied by Conway Meadows).
5. Contractors will contain their work inside the unit being renovated. Proper ventilation must be utilized for any painting or stripping work, or for other work which may produce strong chemical odors or fumes. Plumbing and electrical lines (or other common elements) are to be accessed from inside the unit unless approved by the Board. No materials may be left in the common areas overnight.
6. Reasonable efforts to clean up the area outside the unit being worked in shall be made on a daily basis. If it becomes necessary for the Association to arrange for clean up of the common areas after any workers, all costs for such clean up will be allocated back to the unit owner who is having the work done.
7. Contractors will be responsible for removing construction debris and trash from building premises. Use of Association dumpsters is strictly prohibited. A fine commensurate with the cost of rectifying the problem will be levied against any owner whose contractor does not remove construction debris.
8. Owners are responsible for contacting the manager in advance of any elevator use for transporting large items so that pads may be put up to protect the walls.

ESTATE SALE GUIDELINES

GIVEN THAT Article 13 of the Declaration provides that the Board of Managers shall have the power to adopt, amend and enforce reasonable rules and regulations in accordance with applicable laws, the Declaration and the Bylaws; and

GIVEN THAT the Board deems it necessary and desirable and in the interest of the Association and its members to establish guidelines and procedures for residents desiring to conduct an estate sale within Conway Meadows Condominium;

NOW, THEREFORE, the Board resolves that the following guidelines and procedures be, and hereby are, adopted.

The following must be followed at least 14 days prior to a sale. It would be preferable to allow more time for scheduling.

A homeowner must call the Association office at (314) 576-2068 for permission to hold a sale and to request a form that must be filled out and returned quickly, prior to the sale. At the time of this request, check with the manager to see if the date you want is available.

A deposit of \$500.00 must be submitted along with the form. The deposit will be refunded to you following the sale if no damage is found upon inspection by Conway Meadows management. Damage could include ruts in the lawn, damage to irrigation heads, or muddy carpeting or damaged walls in the common areas of the midrise buildings. If more than \$500.00 in damage is found, the owner will be billed with the amount of repair.

If any Association rules, including the rules stated in this "Estate Sale Policy" are broken during the sale, the unit owner will be fined and the fine will be taken out of the deposit.

Sales may take place on Saturday and Sunday only. The Association will not allow more than one sale to take place on the same day.

The person or company running the sale must have professionals at the gate and in front of the building where the sale is taking place to direct cars to the sale and give instructions on parking.

In addition to gate and front of building personnel, sales at the midrise buildings must have a front door attendant located in the lobby, and signage inside pointing the way to the correct unit.

For sales taking place at the townhome buildings, please use the unit rear or garage entrance for loading and unloading whenever possible.

All sales will be between the hours of 8:00 a.m. and 4:00 p.m.

"No Parking" signs must be placed along nearby alleys and cul-de-sacs to designate areas where attendees will be unable to park in accordance with the Association's parking rules.

Estate sale signs will be permitted during the sale only and must be removed at the end of the day.

For sales at the midrise buildings, adhesive plastic runners must be placed in the lobby and hallway from the front door of the building to the unit front door where the sale is taking place. The unit owner should contact the office to request that protective pads be put up in the elevator.

A copy of the parking policy is attached. These parking rules must be followed at all times.

Failure to follow this procedure will result in the sale being immediately shut down by a member of the Board of Managers or management.

The owner holding the sale is responsible for any actions or damage caused by visitors.

ENFORCEMENT RULES AND PROCEDURES**

THESE RULES are adopted this 17th day of July, 2013 by the Board of Managers of Conway Meadows Condominium Association ("Association") and shall be applicable on the Effective Date stated above.

WHEREAS, Conway Meadows Condominium exists under the Missouri Uniform Condominium Act ("Act") by virtue of the "Amended and Restated Conway Meadows Declaration of Condominium and By-Laws" as recorded on August 12, 1998 in Book 11719 Page 1309 of the records of St. Louis County, Missouri, as may be amended ("Declaration"); and

WHEREAS, the Association, acting through its Board of Managers ("Board"), is responsible for governance, management, and administration of the Condominium under the Act and Declaration; and

WHEREAS, the Board is authorized to establish reasonable rules and regulations to foster compliance with the Declaration as provided in Section 448.3-102.1(1) of the Act and Section 13.11 of the Declaration; and

WHEREAS, the Board deems it in the best interests of the Condominium community as a whole to establish reasonable rules and regulations to foster voluntary compliance and for enforcement of violations of the Declaration for the general welfare of the Owners and to preserve property values in the Condominium.

NOW THEREFORE, the Board adopts the following rules and regulations ("Rules") applicable to events and circumstances after the Effective Date stated above.

Each Owner is responsible for compliance with the covenants and restrictions contained in the Declaration and rules and regulations adopted by the Board. This responsibility extends to the Owner's family, tenants, guests, and invitees. The Board declares that compliance with the covenants and restrictions contained in the Declaration, and with rules adopted by the Board, is important to foster harmony of community and to protect property values and, therefore, deems it to be in the best interests of the Association and the community as a whole to adopt fair, efficient and effective procedures for enforcement of such covenants, restrictions and rules.

- 1. Determination of Alleged Violation.** The existence of an alleged violation of any covenant and restriction contained in the Declaration may be established by the Board by virtue of personal observation or information obtained by the Board, or by written notification of complaint by one or more members of the Association that is verified or deemed reliable by the Board.

2. Voluntary Resolution. Upon establishing the existence of an alleged violation, the Board shall make reasonable efforts to meet personally with the alleged violator for the purposes of seeking voluntary and appropriate measures to cease, abate or otherwise correct the conduct or activity that is the cause of the alleged violation. Following the meeting, the Board or manager shall send the alleged violator a written confirmation of any resolution or understandings reached, including a statement of the alleged violation and the corrective action and schedule for compliance agreed upon.

3. Notice of Violation. In the event that a meeting and resolution are not feasible or in the event that the alleged violator fails to perform any agreement to comply under Section 2 above, the Board shall serve the alleged violator with written notice stating:

- (a) a description of the nature of the alleged violation,
- (b) the proposed penalty to be imposed as provided in Section 7 below,
- (c) a period of not less than ten (10) days for the alleged violator to make a written request to the Board for a hearing. In the event the Board deems an emergency exists, the period of time for a hearing may be shortened by the Board, and
- (d) the proposed penalty shall be imposed as set forth in the notice unless the alleged violation is corrected within a reasonable schedule set forth in the notice or the alleged violator timely requests a hearing, and
- (e) in the event the Association incurs attorney's fees in connection with enforcement of the alleged violation, the alleged violator would be responsible for the Association's reasonable attorney's fees.

4. Notice of Hearing. A hearing shall be scheduled upon timely request by the alleged violator or set by the Board. The Board shall provide written notice to the alleged violator setting forth the date, time and place of the hearing.

The hearing shall provide the alleged violator at least fourteen (14) days prior notice to such hearing, subject to the Board's discretion to shorten based upon the circumstances of the violation. The Hearing shall be conducting within thirty (30) days of the Notice of Violation unless the Board and the alleged violator otherwise agree.

5. Hearing Procedures. Any hearing held under these Rules shall substantially follow these procedures.

- (a) The hearing shall be held at a meeting of the Board in executive session.
- (b) The Board shall request any other owner or resident that provided a written complaint of the alleged violation to be present and testify as to his/her complaint.

(c) The alleged violator shall be afforded a reasonable opportunity to be heard, including presentation of any testimony or evidence on his/her own behalf.

(d) Proof of proper notice shall be placed in the minutes of the meeting, and shall be deemed adequate if a copy of the notice, together with a statement of the date and manner of delivery, is entered by the Officer, Director or manager who delivered such notice. The notice requirement shall be deemed satisfied if the alleged violator appears at the meeting.

(e) The minutes shall state the purpose of the hearing.

(f) The Association and the alleged violator may have legal counsel present at the hearing.

6. Findings. The Board shall give written notice to the alleged violator of the Board's findings and decision within ten (10) days after the hearing.

(a) Based on evidence presented at the hearing, the Board may determine that a violation has not occurred or does not exist, and may withdraw the notice of violation and imposition of fine; or

(b) The Board may find that a violation has occurred or does exist if:

(1) the alleged violator declines or fails to request a hearing, or

(2) the alleged violator fails to appear at a scheduled hearing, or

(3) the violation is supported by evidence presented at the hearing.

In the event the Board finds that the alleged violator is responsible for the alleged violation, the Board shall give written notice of the Board's findings and decision that such violation exists, demand that the violation be corrected on such schedule as the Board may determine to be reasonable under the circumstances, impose any reasonable penalty under Section 7 below, and/or seek a court order to compel compliance.

7. Penalties. The following penalties may be imposed in the event of a violation:

(a) A reasonable monetary penalty per incident of violation and/or, in the case of a violation involving continuing conduct or activity, a monetary penalty per day that the violation continues pursuant to Section 13.19 of the Declaration. Any unpaid fine, together with any costs and fees incurred by the Association as set forth in Section 8 below, shall be a continuing lien against the violator's Unit, and shall be the personal obligation of the owner, and shall be enforceable in the same manner as assessments under Section 14.13(a) the Declaration. A notice of lien may be recorded.

(b) The Board may declare that the violator's status as a Member in Good Standing is forfeited, and the following privileges of membership shall be withdrawn until the violation is corrected and any fine and other charges are paid in full: serving on the Board, being a candidate for election or appointment to the Board, and use of recreational facilities.

The penalties provided herein shall be cumulative, and shall be in addition to any other remedy allowed under the Act and Declaration, including but not limited to enforcement by an action at law or in equity, and the right to recover the Association's costs and fees set forth in Section 8 below, or by abatement of the violation, including removal of any article, vehicle or other object that constitutes the violation, at the cost of the violator.

8. Costs and Fees. Any costs and fees incurred by the Association in the implementation of these Rules, unpaid fines, and attorney's fees, shall be recoverable against the violator in the same manner as unpaid assessments, including but not limited to court costs, lien preparation and recording charges (including release of the lien), administrative expenses, fees and costs of title search, returned check charges, reasonable fees for attorney and paralegal services, and any other reasonable expenses incurred in the enforcement of these Rules. For the purposes of this Section 8, the violator shall be responsible for attorney's fees and paralegal services incurred by the Association beginning with the notice of violation provided in Section 3 above, regardless of whether a judicial proceeding is commenced or a notice of lien is filed.

9. Board Discretion. The decision to pursue enforcement action in any particular case shall be within the Board's discretion, except that the Board shall not be arbitrary or capricious in taking enforcement action. Without limiting the generality of the foregoing sentence, the Board may determine that, under the circumstances of a particular case:

(a) The Association's position lacks sufficient strength to justify taking any or further action; or

(b) The covenant, restriction or rule being enforced is, or is likely to be construed as, inconsistent with applicable law; or

(c) Although a technical violation may exist or may have occurred, it is not of such a material nature as to be objectionable to a reasonable person or to justify expending the Association's resources; or

(d) That it is not in the Association's best interests, based upon hardship, expense, or other reasonable criteria, to pursue enforcement action.

Such a decision shall not be construed as a waiver of the right of the Association to enforce such provision at a later time under other circumstances or preclude the Association from enforcing any other covenant, restriction or rule.

10. Adoption; Applicability. The Board shall provide a copy of these Rules in draft form to each owner and schedule an opportunity for comments by the owners at a Board meeting. Thereafter, the Board is authorized to adopt these Rules, with such revisions as may be reasonable based upon said comments, upon execution below by the President and attestation by the Secretary. A copy of the final Rules shall be delivered to all owners (and lessees, if any) at least thirty (30) days prior to the Effective Date set forth on page 1 above. These Rules shall be applicable to all Units, and all Owners, tenants, guests, and invitees, as to events and circumstances occurring after said Effective Date.

IN WITNESS WHEREOF, the Board of Managers of Conway Meadows Condominium Association has adopted these Rules at a meeting of the Board duly called and held on the date first above written.

GIVEN THAT the Board deems it necessary and desirable and in the interest of the Association and its members to establish guidelines and procedures for the rental of garage parking spaces in the midrise buildings;

NOW, THEREFORE, the Board resolves that the following guidelines and procedures be, and hereby are, adopted.

In order to ensure the security of the midrise buildings, parking spaces in the garages of the midrise buildings shall only be rented to other residents in the same building. POLICY RESOLUTION NO. 23-01:

CHIMNEY CLEANING

GIVEN THAT Article 13 of the Declaration provides that the Board of Managers shall have the power to adopt, amend and enforce reasonable rules and regulations in accordance with applicable laws, the Declaration and the Bylaws; and

GIVEN THAT the Board deems it necessary and desirable and in the interest of the Association and its members to establish guidelines and procedures for chimney cleaning within Conway Meadows Condominium;

NOW, THEREFORE, the Board resolves that the following guidelines and procedures be, and hereby are, adopted.

Due to insurance restrictions, all Unit Owners with a wood burning fireplace that is in use must have annual cleaning completed by a licensed and insured third party chimney cleaning company. Ventless battery and ventless electric fireplaces and fireplace inserts may be used in a Unit and will not require annual cleaning. If a claim is caused by a wood burning fireplace, and there is no confirmation of annual cleaning, the Unit Owner may be assessed for damages. The Association reserves the right to request proof of annual fireplace chimney cleaning.
