FIXER+UPPERS

Letting Jesus Renovate Your Life

Week #8 Study Guide

1. Let's chat about repurposed furniture! Do you have a piece of repurposed furniture in your home? …or a piece of furniture you'd like to repurpose? …or have you seen someone else repurpose a piece you liked?

2. Which one of these statements most closely describes where you are today?

    a. I feel pretty aimless and a bit lost.
    b. I once felt like I had great clarity about my purpose, but I've lost it somewhere along the way.
    c. I sense that God is stirring dreams in my heart, but I don't yet have clarity about He has for me.
    d. I'm clear about the purpose to which God is calling me, but I'm hesitant to jump in with both feet.
    e. I'm walking as an ambassador for Christ in my sphere of influence.

3. In what ways would you like to see God use you as his ambassador? How does it make you feel to hear that what God has purposed for you to do flows out of who you are in Him?

4. How have you experienced clarity of your identity leading to boldness in your purpose?
