DAY-02: PEARL HARBOR & CITY TOUR.

01 November 2023

Buffet breakfast at the hotel restaurant. Commence your Full day Pearl Harbor and Honolulu City Tour in today's

itinerary.

Travel back in time as you explore WWII history at Pearl Harbor and discover Hawaii's royal past on a tour through downtown Honolulu. Oahu's past comes to life as you experience two distinct yet equally important periods in Hawaii's history with our knowledgeable and friendly guide.

We start at Pearl Harbor where you will come face to face with the dramatic and tragic events of December 7, 1941 when the Japanese forces launched a surprise attack on Oahu. The USS Arizona took a direct hit, sank within minutes, and 1,177 seamen went down with their ship. Watch these historic events unfold during the 23-minute documentary complete with original archival footage of that fateful morning. Think about these lost heroes as you cross the harbor in a Navy vessel enroute to the USS Arizona Memorial which is suspended over the sunken battleship. Step aboard the iconic white Memorial and take in the quiet and reverential environment. You are now standing over the Arizona hull, the final resting place for those brave seamen. In the Shrine Room, their names and ranks are inscribed in marble. Look into the water and note the oil drops – "The Black Tears of the Arizona" – that still rise to the surface from the battleship hull after nearly eight

decades. Back at Pearl Harbor Visitor Center, the museum houses the Road to War and Attack galleries with photos, memorabilia, and artifacts along with an excellent bookstore featuring WWII memorabilia, books, and souvenirs.

Korean BBQ Lunch is included.

Note: Arizona movie & boat ticket is not guaranteed because it is free. All guests must fall in line to get their own ticket on a first come and first service.

Continue your journey by drive to the China Town and historic Downtown Honolulu where famous buildings recall Hawaii's time as a royal kingdom. Our expert guide will point out famous architectural landmarks like Iolani Palace (built by Hawaii's last reigning king), Kawaiahao Church, and the statue of King Kamehameha the Great who united the Hawaiian Islands under his rule in 1810.

Dinner at Tanaka of Tokyo Restaurant (Teppanyaki Dinner) is included. Overnight at the hotel. (B)(L)(D)
