

7 Days Hawaiian Islands Highlights (Honolulu – Maui – Honolulu)

The oldest of Hawaiian chants describe the Hawaiian Islands, the spirits that inhabit them, the forces of nature that shaped them, and all the living things upon them as inextricably connected. This sense of connection is the foundation of Hawaiian culture: understanding that we all have a mandate to Malama, to care for our environment and for one another.

Today, Hawaiian culture may hold many of the answers sought in a rapidly changing world. The spirit of aloha – being in the presence of and sharing the essence of life – teaches us lessons of peace, kindness, compassion, and responsibility to future generations. These lessons are expressed through chant, music, hula, arts and cultural practices, and through the warm, genuine greetings that are a hallmark of Hawaiian hospitality.

DAY 3 Pearl Harbor & City Tour.

After your breakfast at the hotel, at around 10 am, you will join the seat-in-coach of Pearl Harbor & City Tour.

Travel back in time as you explore WWII history at Pearl Harbor and discover Hawaii's royal past on a tour through downtown Honolulu.

Oahu's past comes to life as you experience two distinct yet equally important periods in Hawaii's history with our knowledgeable and friendly guide.

We start at Pearl Harbor where you will come face to face with the dramatic and tragic events of December 7, 1941 when the Japanese forces launched a surprise attack on Oahu. The USS Arizona took a direct hit, sank within minutes, and 1,177 seamen went down with their ship. Watch these historic events unfold during the 23-minute documentary complete with original archival footage of that fateful morning. Think about these lost heroes as you cross the harbor in a Navy vessel en-route to the USS Arizona Memorial which is suspended over the sunken battleship. Step aboard the iconic white Memorial and take in the quiet and reverential environment. You are now standing over the Arizona hull, the final resting place for those brave seamen. In the Shrine Room, their names and ranks are inscribed in marble. Look into the water and note the oil drops – "The Black Tears of the Arizona" – that still rise to the surface from the battleship hull after nearly eight decades.

Back at Pearl Harbor Visitor Center, the museum houses the Road to War and Attack galleries with photos, memorabilia, and artifacts along with an excellent bookstore featuring WWII memorabilia, books, and souvenirs. After Pearl Harbor, our tour continues to Historic Downtown Honolulu where

famous buildings recall Hawaii's time as a royal kingdom. Our expert guide will point out famous architectural landmarks like Iolani Palace (built by Hawaii's last reigning king), Kawaiahao Church, and the statue of King Kamehameha the Great who united the Hawaiian Islands under his rule in 1810.

Lunch on your own arrangement during the tour stopover. The tour returns at around 3pm. The rest of today is free. Overnight at the hotel. (B)(D)
