

**Rosalind Franklin University of Medicine and Science**  
**College of Pharmacy**  
**Introductory Pharmacy Practice Experience (IPPE) Elective**

<h2><b>Academia</b></h2>
--------------------------

### ***Overview***

This practice experience will take place during the third professional year of the curriculum. It will satisfy 40 hours of the 300 hours allocated to IPPEs. Students will complete the 40 hours over the course of one week.

### ***Elective Rotation Blocks***

Subject to preceptor availability, students will be scheduled for their elective rotations during one of four blocks. Two of these blocks take place during the two weeks prior to the start of the P3 year and the other two blocks occur during the intersession breaks.

### ***Practice Setting and Description***

This IPPE elective will take place at Rosalind Franklin University College of Pharmacy. Students will work with faculty and staff within the College to gain an understanding of academia and the processes by which education is delivered to student pharmacists.

### ***Educational Outcomes***

Upon completion of the academia IPPE elective, students will be able to:

1. Describe the accreditation process for new and established Doctor of Pharmacy programs.
2. Discuss how the ACPE accreditation standards and CAPE outcomes help shape the pharmacy curriculum.
3. List the responsibilities of each department within the College.
4. Describe the various committees within both the College and University and the responsibilities that faculty, staff, and students have with respect to these committees.
5. Explain the different methods used to deliver information and assess student learning.
6. Describe how teaching, service, and scholarship are assessed for faculty being considered for hire and promotion.
