

Rosalind Franklin University of Medicine and Science
College of Pharmacy
Introductory Pharmacy Practice Experience (IPPE) Elective

Administration (Academia)

Overview

This practice experience will take place during the third professional year of the curriculum. It will satisfy 40 hours of the 300 hours allocated to IPPEs. Students will complete the 40 hours over the course of one week.

Elective Rotation Blocks

Subject to preceptor availability, students will be scheduled for their elective rotations during one of four blocks. Two of these blocks take place during the two weeks prior to the start of the P3 year and the other two blocks occur during the intersession breaks.

Practice Setting and Description

This administration elective experience will take place at Rosalind Franklin University College of Pharmacy. Students will work with the Dean of the College. This elective will introduce students to the principles of leadership and strategies used by leaders in academic pharmacy. Active learning strategies and reading assignments will explore leadership styles and principles. There will be a series of short readings on management and leadership.

Educational Outcomes

Upon completion of this administration (academia) IPPE elective, students will be able to:

1. Describe the ACPE accreditation process and the expectations of ACPE for academic pharmacy leaders
2. Discuss leadership styles and strategies.
3. Discuss the role of the Dean and Associate Deans in shaping the pharmacy curriculum and assessment strategies
4. Explain how budgets are created and managed.
5. Recognize how and why the Administration of the College creates policies and procedures.
6. Describe the relationship of the Dean and other Administrators within a Health Science University.
7. Discuss “how to put out fires before they start.”
