Bidders invited to negotiate Production Sharing Agreements in Uganda's first competitive licensing round

licensing round

KAMPALA, August 1, 2016 - The Ministry of Energy and Mineral Development has completed evaluation of bids for the first competitive licensing round and invited the successful companies to negotiate Production Sharing Agreements (PSAs). The following four companies have been invited to negotiate for PSAs for blocks as indicated below:

1. Armour Energy Limited of Australia for the Kanywataba Block.
2. WalterSmithPetroman Oil Limited of Nigeria, for the Shallow and Deep Plays in the Turaco area.
3. Grants Petroleum International Ltd of
