

WHO WE ARE

Erdenes Mongol LLC was founded in 2007, with the objective to become a leading national company in Mongolia's key economic sectors, including mining, infrastructure, and energy. The company seeks to help Mongolia to effectively and efficiently use our natural resources, and to enhance the country's economic performance and encourage diversification.

Erdenes Mongol seeks to invest in real assets, existing companies, and compelling new projects.

The Government of Mongolia has empowered Erdenes Mongol to execute its share in Mongolia's world-class mining assets, including Oyu Tolgoi LLC, Erdenes Tavan Tolgoi JSC, Baganuur JSC, and Shivee Ovoo JSC.

Erdenes Mongol is committed to improving the living standards of people in Mongolia. To ensure sustained growth, we are building a company that adheres to international business standards. We are strongly committed to ethical business practices, and strive for transparency and independence in corporate governance.

Erdenes Mongol believes that through smart, effective investment in natural resources, infrastructure, industry, and our own human capital, we can create value for the citizens of Mongolia.

GOAL

The business aims to maximize value and deliver real returns to our 3 million shareholders.

SUCCESS DRIVERS

We will achieve these goals by hiring the best talent, being commercially savvy, and financially astute.

INVESTMENT STRATEGY

We are long-term investors. We will creatively leverage our assets, partner for growth and build financial strength. We will invest in high quality assets, proven standards and leading technology. We will develop and manage our portfolio in an integrated fashion to enhance our competitive advantage.
