Welcome to Kuwait Petroleum Corporation's world, one of the largest oil and gas companies globally. KPC, a state-owned company, shoulders the management of hydrocarbon products in Kuwait and abroad, as well as planning strategic directions of marketing, selling and transportation activities of refined and crude oil products to major global markets. Through its subsidiaries, and as a vital part of the global link of the energy supply industry, KPC contributes to meeting the world's urgent needs of oil and gas products. In this regard, KPC's duties include the activities of producing, exploring, refining, transporting and marketing precious natural resources in Kuwait and abroad.
