

Thinking and acting for a socially sustainable development

OCP Foundation was created to carry out the social and societal commitment of OCP Group. Therefore, its main role is to develop and implement community programs, focusing mainly on the human development in Morocco and in several Southern countries, within a South-South cooperation context.

- [Online soon](#)

Mission

Its scope of action includes the following activities:

- - Promotion of education and training;
- - Enhancement of youth employability skills;
- - Promotion of entrepreneurship;
- - Poverty reduction;
- - Socio-economic development;
- - Access to health care;
- - Social and cultural action & conservation of the national heritage;
- - Support for food security programs.

OCP Foundation also fosters the field of research and training through the Mohammed VI Polytechnic University, and encourages intellectual stimulation through the think tank OCP Policy Center.

OCP Foundation and its regional branches

In order to optimize its work of geographical proximity to the targeted population and with the associative fabric, the OCP Foundation regional branches are spread over 14 regions in Morocco.
