ABOUT US

JSC «Information-analytical centre of oil and gas» (JSC «IACOG») is a steadily growing company with a leading position on the market of information and analytical services on oil and gas sector of the Republic of Kazakhstan.

JSC «IACOG» is competent authority of the Ministry of Oil and Gas of the Republic of Kazakhstan on accumulation, processing and provision of timely information on the domestic market of oil products, all oil and gas, hydrocarbon processing and transporting raw materials companies in the Republic of Kazakhstan. We are also an organization that sets objectives, tasks and functions as defined by the Ministry of Oil and Gas of the Republic of Kazakhstan.

Our company has been operating for over 20 years and has appropriate historical data base on the activities of the oil and gas industry in the country, and not only.

Today, our partners are more than 85 branch companies, including leading Kazakh oil and gas companies, key transport companies, producers of petroleum products, and a number of large traders and consumers of petroleum products.

The Company has also partners outside the country, signed an agreement on cooperation with similar organisations of many countries of the CIS. It has been in a partnership with GP «CDU TEK», the Russian Federation for more than ten years.

Information base of the company is constantly expanding with new information and analytical products.
